2. If any subscribers order the discontinuance of their newspapers, the publisher may continue to send them until all arrearages are paid.
3. If subscribers neglect or refuse to take their newspapers from the offices to which they are directed, the law holds them responsible until they have settled the bills, and ordered them discontinued.
4. If subscribers remove to other places without informing the publisher, and the newspapers are sent to the former direction, they are held responsible.

He has a Record of 2:35.

PEDIGREE—Ophir was sired by the celebrated trotting stallion Kentucky Hunter, he by Broken Leg Hunter, of New York; grandsire, Sorrel Hunter; great grandsire, Old Kentucky Hunter; great-great grandsire, Highlander.

Kentucky Hunter's dam (from a Moonshine Mare,) was sired by the trotting stallion Harden Hunter; grandsire, Sorrel Hunter; great grandsire, Old Kentucky Hunter; great great grandsire, Highlander.

This is a correct pedigree of Kentucky Hunter, and makes him about seven-eighths Hunter; or perhaps, better known as Messenger blood, and which has been thoroughly proven to be the fastest and best stock of horses ever introduced into the United States.

Ophir's Dam was sired by David Hill; her dam was sired by Prince Albert, a Messenger owned by William Reynolds, of Colusa County, California. Ophir's dam is now owned in Santa Clara County by Dr. C. L. French; her dam is owned by D. M. Feavis, of Butte County. They are both fine, large and splendid roadsters.

Pedigree of Ophir's Dam's Sire—David Hill was sired by Black Jack; he by David Hill; [illegible] trotting stallion Black Hawk; he by Sherman Morgan; he by Justin Morgan, and he by True Briton, who was imported from England and used by General Delancey as a charger on Long Island in 1777. TERMS—Single service $20, payable in advance. For the season, $30, payable at the end thereof. Insurance $40, payable when it is ascertained that the mare is in foal.

All possible care will be taken by an experienced hand, who thoroughly understands the treatment of mares and horses, to avoid accidents; but will not be responsible should any occur. Pasturage furnished at reasonable rates. S. L. DANIELS, Proprietor.

SMITH'S PIANOS & ORGANS.

In order to introduce THESE MAGNIFICENT PIANOS on this Coast, I have put the prices MUCH LOWER than other FIRST-CLASS MAKERS, and as I do not propose to make any agents, (who generally extort large profits from the consumer) I expect to be severely handled by such persons in the Piano business.

The materials used in their construction are of the VERY BEST kind, and the wood thoroughly seasoned. They are substantially made.

DURABILITY, TONE and the power of MAINTAINING TUNE LONGER than any other piano made, are the characteristics of these instruments.

The greatest possible attention is given to their tone and touch, and I have no hesitancy in offering them to the public as FIRST-CLASS PIANOS in every respect, and warrant them to stand in any climate.
