(Continued on page 4.)

The woman who kills her babe by neglect of the health and vigor of her own womanly organism during the period preceding motherhood, is innocently and without realizing it, as much responsible for her child's death, as the mad woman who slays her babe after its birth. Thousands of babes are still-born every year because women innocently and ignorantly neglect, during the expectant period, to take proper care of the delicate and important organs that bear the burdens of maternity.

There is but one known medicine that prepares a woman for capable motherhood. It is Dr. Pierce's Favorite Prescription. It acts directly and only on the organs concerned in motherhood making them strong and healthy. It imparts to them vigor and elasticity. It allays inflammation, heals ulceration, soothes pain and gives rest to the tortured nerves. It does away with the discomforts of the expectant period, and makes the coming of baby easy and almost painless. It insures the health of baby. Over 90,000 have testified to its virtues. All good druggists sell it.

"In the fall of 1891," writes Mrs. N. A. Thomas, of 820 Pulaski St., Little Rock, Ark., "while on a visit to Texarkana, Ark., I was taken with a severe pain in my head and was hardly able to get home. I was prostrated for four weeks, not being able to sit up. During that time the doctors failed to give me any relief whatever. At length I was induced to try Dr. Pierce's Favorite Prescription. One bottle cured me entirely. I felt relieved after the first three doses, and have never felt the pain since. I send this testimonial that others may be benefited by it. Yours with a thousands thanks."

It is as much a woman's duty to look after the health of the family as to care for the cleanliness of the home. Dr. Pierce's Common Sense Medical Adviser enables her to do this. It contains 1,008 pages and 300 illustrations, and is written in language that any one may understand. Over a million women own copies. A new edition is just out and for a limited time copies will be given FREE to those who write for them. If you want a paper-covered copy, send twenty-one one-cent stamps, to cover the cost of mailing *only*, to the World's Dispensary Medical Association, No. 663 Main Street, Buffalo, N. Y. Or, for cloth binding, send ten cents *extra*, 31 cents in all.
