ATTENTION, CANNERYMEN.
We want a canneryman who understands his business, with enough capital to run a year and pay all labor and produce bills, to come here and take charge of and run a cannery; free rent, except taxes, insurance and rental on automatic capping machine.
Building was erected in 1913 and is equipped with a 30-H. P. engine and a large capacity boiler. The cannery is located 65 miles down the river from Portland and borders on the Delta Gardens, of 12,000 acres, together with a good surrounding berry and fruit country, including the Nehalem Valley, and having both rail and water transportation, makes it ideal for fruit, beans and other garden truck. For expansion of the cannery business there is not a better place for a pickling factory or a fruit-drier, or both.
All that we want is a responsible and capable man. If satisfactory to both parties, we will lease for the second year or sell outright.
Write or call on George B. Conyers, assignee, Clatskanie, Or.
