Star Tobacco: 1 Bread Mixer: 4 Pipes.

1— A strip of land twenty feet on each side of a line which begins at a point that is three hundred and fifty-two feet west of the quarter section corner between sections twenty-nine and thirty, in township ten, south range ten west, of the Willamette Meridian; running thence south nineteen degrees and sixteen minutes east, two hundred and forty-two feet; thence south thirteen degrees fifty-two minutes east, three hundred seventy-six feet; thence south, five degrees eight minutes west, four hundred twenty-six feet; thence south, two degrees two minutes west, one thousand thirty-eight feet, thence south, five degrees thirty-two minutes west, two hundred and three feet; thence south, eighteen degrees, fifty-two minutes west, forty-four feet; to a point which is two hundred seventy-three feet west of the corner to sections twenty-nine, thirty, thirty-one and thirty-two, in township ten, south, range ten west, of the Willamette Meridian;

Also

2— A certain strip of land forty feet in width for the whole length thereof, the center line of said strip beginning at a stake seventy-eight feet in a southeasterly direction from the bridge across Depot Slough on the farm of J. G. Whiteis, in section thirty-one, township ten, south, range ten west, of the Willamette Meridian; running thence in a straight line to the north-east corner of said farm where said corner lies in an ell formed by the land of Ora A. Copeland and wife: also, running from said stake first above described in a southeasterly direction following the base of the hill, just keeping on the hill sufficiently to keep off the bottom land to the south line of said farm, the said strip of land now being occupied and used as a right-of-way for a logging railroad;

Also

3— A strip of land forty feet in width lying twenty feet on each side of a center line which is described as follows: Beginning at a point seventy feet west from the center of section six, township eleven, south, range ten west, of the Willamette Meridian, which point is marked by a fir post from which a fir tree twenty inches in diameter bears north twenty-eight degrees thirty minutes west, two hundred and sixty-four links distant, marked "P. S. ¼ S. 6 B. T.", an apple tree ten inches in diameter bears south, seventy-two degrees thirty minutes east, twenty-eight links distant, marked "P. S. ¼ S. 6 B. T."; thence south, twenty-five degrees thirty minutes east, two hundred twenty-eight feet to a point on the line dividing sections six north and south and two hundred and seventeen feet south, three degrees one minute east of the above described stake at center of said section six;

Also

4— A strip of land forty feet in width, lying twenty feet each side of a center line described as follows: Beginning at a point two hundred seventeen feet south, three degrees one minute east, of the center of section six, township eleven, south, range ten west of the Willamette Meridian, which point is marked by a fir post from which a fir tree twenty inches in diameter bears north, twenty-eight degrees thirty minutes west, two hundred sixty-four links distant, marked "P. S. ¼ S. 6 B. T." an apple tree ten inches in diameter bears south, seventy-two degrees thirty minutes east, twenty-eight links distant, marked "P. S. ¼ S. 6 B. T." thence south, twenty-five degrees thirty minutes east, one thousand one hundred and forty-four feet to a point on the one-sixteenth section line and four hundred twenty-two feet north, eighty-nine degrees fifteen minutes east, of the north-west corner of the southwest quarter of the southeast quarter of section six, township eleven, south, range ten west of the Willamette Meridian, which point is marked by a vine maple post from which a willow twelve inches in diameter bears south, sixty-nine degrees thirty-four minutes west, four hundred links distant, marked "P. S. 1-16 S. B. T.", a fir tree thirty-four inches in diameter bears south, fifty-four degrees, twenty-six minutes east, three hundred ten links distant, marked "P. S. 1-16 S. B. T."

Also

5— A strip of land forty feet in width, lying twenty feet on each side of a center line described as follows: to-wit: Beginning four hundred twenty-two feet north, eighty-nine degrees fifteen minutes east of the one-sixteenth section corner at the northwest corner of the southwest quarter of the southeast quarter of section six, township eleven, south, range ten, west of the Willamette Meridian, which corner is marked by a vine maple post from which a willow twelve inches in diameter bears south, sixty-nine degrees thirty-four minutes west, four hundred links distant, marked "S. P. 1-16 S. B. T."; a fir tree thirty-four inches in diameter bears south fifty-four degrees, twenty-six minutes east, three hundred ten links distant, marked "P. S. 1-16 S. B. T."; thence south, twenty-five degrees thirty minutes east, five hundred thirty-five and two tenths feet; thence on a ten degree curve to the right one hundred fifty-eight and three-tenths feet; thence south, nine degrees forty minutes east, three hundred forty-seven and nine-tenths feet; thence on a ten degree curve to the right one hundred fifty-six feet; thence south five degrees fifty-five minutes west, one hundred sixty-one and six-tenths feet, to a point on a line between sections six and seven and six hundred eighty-four feet north, eighty-nine degrees fifteen minutes east, from the quarter section corner, which corner is marked by a vine maple post four inches square, thirty inches long, and set fifteen inches in the ground, marked "¼ S. 7" on the south, and "6" on the north facing, from which a fir sixteen inches in diameter bears north, seventy-four degrees east, thirty-one links distant, marked "P. S. ¼ 7 B. T. a vine maple five inches in diameter bears north, forty-seven degrees west, thirty-six links distant, marked "P. S. ¼ S. 7 B. T."; thence south, five degrees fifty-five minutes west, nine hundred forty-six feet, to a stake on the right bank of Depot Slough;

Also

6— A strip of land forty feet in width, being twenty feet on each side of a center line described as follows: Beginning at a point forty feet east of the southwest corner of the land belonging to S. Romtvedt Estate in the north-east quarter of Section 31, Township 10, South, Range 10, West of the Willamettet Meridian; running thence northeast along the hill four hundred feet to a point two hundred seventy-four feet west of the corner of Sections 29, 30, 31 and 32, in said Township and Range;

Also

7— A strip of land forty feet in width through the north half of the southeast quarter of Section 30, Township 10, South, Range 10, West of the Willamette Meridian, said strip of land lying west of Depot Creek, and running from the division line between the lands of J. F. Steel to the line between the lands known as the Rader and Kyniston lands, being the right-of-way for a logging road as is now located;

Also

8— A strip of land forty feet in width through the land now owned by Hugh Murray and Minnie Murray, in Section 6, Townsrip 11, South, Range 10, West of the Willamette Meridian;

Also

9— A strip of land forty feet in width across the northeast quarter of Section 30, Township 10, South, Range 10, West of the Willamette Meridian, across the land known as the Kyniston land;

Also

10— A strip of land forty feet in width for a right-of-way for a logging road running north from a point on the right-of-way on the Kyniston land in a northerly direction to the line between sections 19 and 30, Township 10, South, Range 10, West of the Willamette Meridian.

NOW, THEREFORE in compliance with the demands of said execution decree and order of sale I will on Saturday the 25th day of November A. D. 1616 at 1 o'clock P. M. at the front door of the County Court House, in the City of Toledo, Lincoln County, Oregon, sell to the highest bidder for cash, all the right title and interest of the above named J. B. Miller Logging Co. a corporation Defendant in the above named action, in the above described property to satisfy said execution and order of sale, interest, costs and accruing costs.

Pendleton Normal School Proven Necessity

(Copied from Portland Oregonian.)

MONMOUTH, Ore., June 26.—The Oregon Normal school opened this week . . . students enrolled 785, largest on record for state Normal in Oregon . . . . how to care for large student body a problem . . . . 800 being crowded into auditorium with seating capacity of 550. Galleries filled with extra chairs in aisles. More than 150 students seated on platform. New boarding houses completed, additions to rooming houses built and tents used. One hundred girls sleep on upper floor of school.

The official school report gives 150 grade pupils in Monmouth, for teacher practice.

Read what those you have elected to handle the affairs of your state and who are thoroughly informed regarding school conditions in Oregon have to say concerning measure 308 on the ballot at the coming election:

By James Withycombe, Governor of Oregon:
"Oregon is unquestionably in need of more normal school work and Pendleton is the logical place for a school of this class in Eastern Oregon."

By J. A. Churchill, State Superintendent of Public Instruction:
"I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."

By P. L. Campbell, President of the University of Oregon:
"At least one additional Normal School is urgently needed in Oregon."

By W. J. Kerr, President of the Oregon Agricultural College:
"Since the people of Pendleton are initiating a measure for the establishment of a Normal School at that place, it will give me pleasure to support this measure."

By J. H. Ackerman, President Oregon Normal School, at Monmouth:
"A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and Pendleton fills all the government requirements."

By the County School Superintendents of Oregon:
"Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."

By Mrs. Charles H. Castner, President of the Oregon Federation of Women's Clubs:
"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School Located at Weston:
"An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."

B. F. Mulkey, Ex-President Southern Oregon Normal School:
"I shall support the location of an Eastern Oregon Normal School at Pendleton."

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent."

Portland Chamber of Commerce endorses measure 308 and say Pendleton most logical location for Normal school in Eastern Oregon.

308 X YES IS A VOTE FOR YOUR CHILDREN

Eastern Oregon State Normal School Committee.
By J. H. Gwinn, Secy., Pendleton, Ore.
(Paid Adv.)

THE GOOD JUDGE FINDS MEN SWITCHING FROM ORDINARY TOBACCO

WHEN a gentleman gets acquainted through and through with W-B CUT Chewing, he finds that the common sense of it helps him across a feature of ordinary tobacco he never did like. The shreds of tobacco give up the tobacco satisfaction *without so much grinding and spitting*—the salt helps bring out the good tobacco taste—and because it's *rich* tobacco, a *small* chew lasts and satisfies.
