The progressive state board of health of Colorado has taken the cue for the destruction of rats from the more progressive government of Japan, which took its cue, perhaps, from the most progressive common council of Astoria.

The British are evidently mistaken in the belief that the Orange Free State is no more. It has just held its election, and forty Boers, by a unanimous vote, re-elected Mr. Steyn president. It is suspected that thirty of these were General De Wet.

The great mania for getting something for nothing is being exempilified in the stampede for land at the opening of the Kiowa and Comanche Indian reservations in Indian Territory. These periodic rushes are striking object lessons to the red man of the white man's energy, of which the Indian is much in need.

Secretary Wilson, of the department of agriculture, predicts that the consumption of rice per capita in this country will increase very materially in the near future. Sarcastic flings at the rice-eating Chinaman will no longer be in order. The Chinese thrive on this diet, accomplishing more manual labor than any other race, and its substitution for pie and sweets would probably not hurt the American physical system.

Peace may be declared in South Africa, but it is doubtful whether General De Wet can be induced to pay any attention to it.—Washington Star.

To speak the truth, it would not be amiss on the part of Senator Thomas C. Platt if he wrote: "Dear Frank—Don't talk."—Philadelphia Inquirer.

The report that General Miles designed his own golf suit is but another of those jealous productions.

"I had piles so bad I could get no rest nor find a cure until I tried De Witt's Witch Hazel Salve. After using it once I forgot I ever had anything like piles."—E. C. Boice, Somers Point, N. Y. Look out for imitations. Be sure you ask for De Witt's. CHAS. ROGERS, Druggist.

The Hon. Charles A. Towne is to be the legal adviser of a liquid air company. Does this mean that he has quit the hot air business for good?

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it. CHAS. The agricultural department has issued a handsome and interesting brochure on the goat. It will be out in good time for the bock beer season.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years." Anderson Riggs, of Sunny Lane, Tex. TOT CAUSES NIGHT ALARM.

"One night my brother's baby was taken with Croup," writes Mrs. J. C. Snider, of Crittenden, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." The sermons of our missionaries in China are like a great many other things. They are of no particular value until after they have been destroyed.

A DEEP MYSTERY.

It is a mystery why women endure backache, headache, nervousness, sleeplessness, melancholy, fainting and dizzy spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phebe Cherley, of Peterson, Ia., "and a lame back pained me so that I could not dress myself, but Electric Bitters wholly cured me, and although 73 years old, I now am able to do all my housework." It overcomes constipation, improves appetite, gives perfect health. Only 50c at HART'S DRUG STORE.

GIVEN UP TO DIE WITH CROUP.

Mrs. P. L. Cordier, of Mannington, Ky., writes: "My three-year-old girl had a severe case of croup, the doctor said she could not live and I gave her up to die. I went to the store and got a bottle of Foley's Honey and Tar, the first dose gave quick relief and saved her life." HART'S DRUG STORE.
