DON'T

let that cold of yours run on. You think it is a light thing. But it may run into a catarrh, Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept healthy and free of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is, themselves." Bottle only 75. Ask any druggist.

PARKER'S GINGER TONIC

Invaluable for Coughs, Colds, Lung Pains, Debility, Indigestion.

The treatment of many thousands of cases of these chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhœa, excessive flowing, painful menstruation, unnatural suppressions, prolapsus or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "the mad blues."

As a regulator and promoter of functional action, at the critical period of change from girlhood to womanhood, "Favorite Prescription" is perfectly safe. Promptly and positively it brings on the long suppressed menses. It is equally efficacious and invaluable in its effects when taken for the ailments and discomforts incident to "the change of life," or critical period, known as "the change of life."

"Favorite Prescription," when taken in connection with Dr. R. V. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Pellets (Little Liver Pills), cures the worst cases of female complaints, or weaknesses, no matter of how long standing or how obstinate or severe. It also cures leucorrhœa and scrofula in all its forms from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or the money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Nice spectacle that, for a civilized country! a force of 200 police evicting an Irish tenant farmer, rack-rented into poverty. He had fortified his cabin with earthworks and the attack was made with battering rams and bayonets. The conflict went on for three hours and the Irishman still held the fort. Then an American gentleman passing that way offered to pay the rent. This was refused and the siege was resumed. At last the police succeeded in setting the cabin on fire, and the garrison had to surrender. It would seem that pluck, courage and love of home might be put to better use than England finds for those qualities in Ireland.—Alta.

WHAT AM I TO DO?

The symptoms of Biliousness are unhappy but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequent, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhea or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's August Flower, it cost but a trifle and thousands attests its efficacy.
