A Sure Sign of Croup

Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it saves them much trouble and worry. It can always be depended upon and is pleasant to take. Prevent Pneumonia

Prevention is always better than cure, even when cure is possible. But so many times pneumonia is not cured that prevention becomes the natural act of that instinct of self-preservation which is "the first law of nature." Pneumonia can be prevented and is often cured by the use of Ayer's Cherry Pectoral.

"Some years ago I had a severe cold and was threatened with pneumonia. I could neither eat nor sleep, and was in a wretched condition. I procured a bottle of Ayer's Cherry Pectoral and took it according to the directions, and at the end of fifteen days was as well and sound as before the attack. I have recommended it in many cases of pneumonia since, and have never known it to fail in effecting a cure."
JOHN HENRY, St. Joseph, La.

"I was attacked with a cold that settled on my lungs, and defied the skill of my physicians so that they considered me incurable. At last I began to use Ayer's Cherry Pectoral and was entirely cured after having taken two bottles."
FRANCISCO A. SEVERIANO, Taunton, Mass.

Ayer's Cherry Pectoral

To put up in half-size bottles at half price—50 cents.

Tetter, Salt-Rheum and Eczema

The intense itching and smarting incident to these diseases, is instantly relieved by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore eyes. 25 cts. per box. For sale by Thompson Drug Co.

Scrofula to Consumption.

Any one predisposed to Scrofula can never be healthy and vigorous. This taint in the blood naturally drifts into Consumption. Being such a deep-seated blood disease, Swift's Specific is the only known cure for Scrofula, because it is the only remedy which can reach the disease.

Scrofula appeared on the head of my little grandchild when only a month old. Shortly after breaking out it spread rapidly all over the body. The scales of the scrofula would peel off on the slightest touch, and the skin that would come in the at[illegible] was tender and inflamed. The disease first attacked the eyes, and we feared for a while we should lose her sight. Every doctor we consulted gave us little encouragement, and we had almost given up hope, when we decided to try Swift's Specific. This medicine at once made a speedy and complete cure. She is now a robust lady, and has never had a sign of the disease to return.
MRS. RITA BAYCETT, Salina, Kan.

Scrofula is an obstinate blood disease, and is beyond the reach of the average blood medicines. Swift's Specific

S.S.S. For The Blood

is the only remedy equal to such deep-seated diseases; it goes down to the very foundation and forces out every taint. It is purely vegetable, and is the only blood remedy guaranteed to contain no mercury, potash or other mineral substance whatever.

The Great Salt Lake Route

The attention of eastbound travelers is called to the advantages offered them by the Rio Grande Western, "The Great Salt Lake Route." The same rates prevail whether the trip is made via Huntington or San Francisco. The passenger has his choice of two routes out of Portland, three through Colorado, and four east thereof. No other line out of Portland can offer such a variety of routes. In addition, a day's stopover is given all passengers at any point in Utah or Colorado. Through Pullman and tourist sleeping cars are run on all trains, as well as free reclining chair cars. The service and accommodations offered are equal, if not superior, to those of any trans-continental road, and rates are always as low as the lowest.

If you contemplate a trip east, write to J. D. MANSFIELD, General Agent, Rio Grand Western Railway, 112 Third Street, Portland, Oregon, for any information you may need in reference to rates, routes or accommodations.

Cook & McLennan will pay you cash for your pelts and hides.

The Best Plaster

A piece of flannel dampened with Chamberlain's Pain Balm and bound on to the affected parts is superior to any plaster. When troubled with a pain in the chest, for side, or a lame back, give it a trial. You are certain to be more than pleased with the prompt relief which it affords. Pain Balm is also a certain cure for rheumatism. For sale by Thompson Drug Co.

THE MAJOR'S EXPERIENCE.

How He Spent the Greater Part of His Life—A Time When His Life was in Danger.

From The Free Press, Detroit, Mich.

One of the staunchest supporters of the deep-water way from the Great Lakes to the sea is Maj. A. C. Bishop, of 743 Third Ave., Detroit, Mich.

MAJOR A. C. BISHOP.

Maj. Bishop has had unusual experience in that line of work and probably few are so well qualified to speak intelligently of it as he. For the greater part of his life he has been engaged in water ways, and is one of the oldest and best known civil engineers north of the Ohio river.

Commencing in 1856, he was for a number of years an assistant engineer for the Hudson River Railroad, and later held like positions with the Genesee Valley Canal, New York, and also the Des Moines River Improvement and Railroad Co.

He has been superintendent of large mining operations and when the State Reformatory at Elmira, N. Y., was built, he was superintendent and engineer in charge of the construction.

Major Bishop was attached to the staff of Brigadier General Chamberlin, of the National Guard of New York, with the rank of Major from 1857 to 1865.

He has been located in Detroit since 1885, and has a large acquaintance among the business men and citizens of this city.

Two years ago, for the first time, Major Bishop was in the hospital. For two months he had the best of medical attendance but when he was discharged he was not like the Major Bishop of old.

When asked regarding his health, he said:

"When I had my last spell of sickness and came out of the hospital I was a sorry sight. I could not gain my strength, and could not walk over a block for several weeks.

"I noticed some articles in the newspapers regarding Dr. Williams' Pink Pills for Pale People, which convinced me that they were worth trying and bought two boxes. I did not take them for my complexion but for strength. After using them I felt better, and know they did me worlds of good. I am pleased to recommend them to invalids who need a tonic or to build up a shattered constitution. "A. C. BISHOP."

Subscribed and sworn to before me this eighth day of January, 1896.

ROBERT E. HUTT, JR., *Notary Public.*

The pure, powerful, vegetable ingredients in Dr. Williams' Pink Pills for Pale People supply the nutrition for poisonous matter in the blood and add those elements needed to build up body and brains. Many diseases long supposed by the medical profession to be incurable have succumbed to the potent influence of these pills. They can be taken by young or old, being harmless in their nature, but powerful in eliminating disease.
