TWO-YEAR SENTENCE IS GIVEN TO LAUNDY

Court Partly Considers Plea of Leniency by Jury.

VIOLENCE IS CONDEMNED

I. W. W. Declared to Have Known of Doctrines of Organization He Voluntarily Joined.

Joe Laundy, convicted I. W. W. organizer, was sentenced to two years in the state penitentiary by Circuit Judge Belt of McMinnville, sitting in Portland, yesterday. A stay of execution of eight days was permitted to allow his attorney, George F. Vanderveer, to prepare an appeal, if such action was decided on.

Laundy was one of the most active members of the I. W. W. in Portland and was arrested with numerous other Industrial Workers of the World at a meeting held on the night of November 11, 1920, for the supposed purpose of celebrating the armistice day slaying of ex-soldiers at Centralia by I. W. W. His trial was the first of 26 scheduled and lasted two weeks.

Violence Is Condemned.

"I am not unmindful of the fact that much of the agitation and unrest of the present time is due to the avarice and greed of the profiteers, nor of the fact that many men sit behind polished mahogany desks who should be behind bars, but that is no justification for the redress of grievances, real or imaginary, by the advocacy of doctrines which would result eventually in the destruction of organized society," said Judge Belt in passing sentence.

"If you destroy man's right to have and hold property, you destroy the constitution itself. Under the guise of free speech no man is permitted to advocate those things which would result in crime or revolution and strike at the foundation of our government.

"I do not believe that Joe Laundy could have had a more fair trial had he been a multimillionaire. Every doubt as to admissibility of testimony resolved itself in his favor.

Leniency Plea Considered.

"Were I to follow fully the recommendation of the jury it would mean to tell Joe Laundy to go and sin no more. But this recommendation was not based on mitigating circumstances. The crime being an offense of the organization I feel that he must have known of its teachings and intent and is therefore responsible. If he had been dragged into the organization, compelled to join, it would have been a different thing.

"In passing sentence I am taking into consideration the jury's recommendation, though not permitting it to sway me off my feet. The sentence will be two years in the penitentiary."

The maximum punishment was ten years and a fine of $1000.

"I cannot see what Joe Laundy has done to bring him here?" protested Vanderveer in arguing a motion for a new trial. "I don't feel he has done anything I have not done and I don't feel like a criminal."

To the allegation that the state had not shown any specific act of Laundy's which would constitute a crime, District Attorney Evans replied that the prosecution had been refused permission by the court in upholding an objection by the defense to bring in testimony of specific acts, and that all required was the proof of teachings of the I. W. W., of which organization Laundy was an active member. The motion for a new trial was denied.

MANY FLOATS ASSURED

CANADA AND CALIFORNIA MAY ENTER PARADE.

Cities Throughout States Plan for Entries in Floral Pageant at Rose Show.

More towns and cities, some of them distant, will co-operate in the 1920 Rose Festival and enter floats and decorated cars in the floral parade than have participated in any of the previous festivals, according to the members of the board of directors.

At a conference between Mr. Hauser and the members of the floral parade committee, Winthrop Hammond, chairman, and H. R. Blauvelt, it was decided to offer a cash prize of $500 for the finest float entered in the outside participation class.

Walter E. Conklin, chairman of the committee on outside participation, reports more than 30 Oregon towns and cities as having agreed to enter floats in the pageant, among them being Salem, Eugene, Klamath Falls, Tillamook, Seaside, Hood River, Bandon and Marshfield. Mr. Hauser confidently expects that there will be entries from Vancouver and Victoria, B. C., and from Seattle, Spokane and Tacoma, as well as other important cities of the Pacific northwest.

That San Diego and Pasadena will undoubtedly send entries for the honor of California is the report of H. R. Blauvelt of the floral parade committee, who returned several days ago from southern California. The Pasadena entry in the 1919 festival, sponsored by the Pasadena Tournament of Roses association, was one of the most admired floats of the pageant.

The Russellville grange drama, "When a Man's Single," presented by the Russellville dramatic club last Saturday evening, was a great success. This is the 13th year that the club have presented plays at Russellville. This year's club was different from the others of past years in that all the members were married people. They met with such success this year that they are considering organizing immediately for another drama to be played in the fall. Proceeds from these entertainments go towards paying the hall debt, and in another two years they hope to be clear of indebtedness.

CANNERY ADDS TO PLANT

Two-Story Warehouse to Be Built at Once at Albany.

ALBANY, Or., April 18.—(Special.)—A two-story warehouse, 106 by 64 feet, will be erected at once adjoining the cannery of the Puyallup and Sumner Fruitgrowers' association. The building will be ready for use during the coming canning season.

The offices of the company here will be moved from their present location into the second story of the new building. A concrete receiving platform, 200 feet in length and ten feet wide, will be constructed also in the next few weeks.

The cannery and auxiliary are situated on a tract of one and one-half blocks situated between Hill, Water and Main streets and the Willamette river, and the plan is to cover this entire space with the buildings of the plant ultimately. The plant already is one of the largest in the state.

HIGHER LIMIT IS FAVORED

JACKSON COUNTY PROPOSING TO ISSUE BONDS.

Roads Said to Be in Need of Improvements Impossible to Make Unless Amendment Carried.

Jackson county will cast a strong vote in favor of the proposed constitutional amendment raising the bonding limit from 2 to 4 per cent, according to George T. Collins of Medford, manager of Mason Ehrman & Co.'s branch houses at Medford and Klamath Falls, who has been at the Multnomah hotel.

"Medford proposes to issue $500,000 road bonds, which now is impossible under the 2 per cent limit," said Mr. Collins. "If the proposed amendment carries we intend to issue these bonds and demand state and federal aid, getting one dollar from the state for each one which Jackson county puts up and then matching this amount with federal aid, taking advantage of the unclaimed funds set aside for Oregon by the government and thereby gaining three dollars for each one which we subscribe for road improvements.

"Medford Chamber of Commerce had a drive for members and funds and now has 400 members and has raised $18,000, to which will be added an additional $2000 in the near future. Our roads include the important Pacific highway, road into Crater lake, road to Sams valley and another into Applegate valley and their tributaries.

"The improvement of these roads requires money which would be impossible to get under the present law."

BODY OF BOY IS FOUND

12-Year-Old Lad Drowns in Lake Union While at Play.

SEATTLE, Wash., April 19.—(Special.)—After a hunt for nearly a month the body of Bigoe Spray, 12-year-old son of Mr. and Mrs. John Spray, was found in Lake Union Sunday afternoon. The boy disappeared while at play on the shore of the lake on March 21.

When the parents and friends were unable to locate him the police were called in and for a time it was believed the boy had been kidnaped. This theory was given up when it was learned that he had been seen on a log boom in the lake. The lake was dragged, but without success. Sunday members of the crew of the tug Sea Lion were rowing near the edge of the lake when they found the body.

MISS LEONARD HAS GAINED 19 POUNDS

For Three Years She Hardly Saw a Well Day but Health Is Splendid Since Taking Tanlac.

"Just think of it, only a short time ago I was almost a nervous and physical wreck and today I am feeling just as fine as I ever did in my life," said Miss Estella Leonard of 2610 Manitou street, Los Angeles, in a statement to the Tanlac representative a few days ago, in which she also declared she had made a gain of 19 pounds.

"Life has been miserable for me during the past three years, for I have been in such continual suffering I hardly knew what it was to enjoy a well day. My digestion was extremely poor and there was a constant pain in the pit of my stomach. I almost dreaded to eat, for every time I did I had spells with my heart so bad I thought I had heart trouble. Every night about 12 or 1 o'clock I would wake up suffering intensely from the gas on my stomach and my nerves became so upset that it was hard for me to ever get back to sleep from then on till morning. And when I got up I felt so weak I didn't know whether I could hold out through the day or not. I had fallen off until I weighed only 117 pounds and was hardly able to get around at all. I spent lots of money and I tried one treatment for two years, but when I finished it I was worse off than ever.

"Finally, a close friend of mine told me to try Tanlac, and I have just finished my fifth bottle and I now weigh 136 pounds, making an actual gain of 19 pounds, and for the first time in three years I am able to eat anything I please without suffering from indigestion. My heart action is normal and regular and I am no longer troubled with gas or bloating. I am not at all nervous and my sleep is restful and refreshing. My housework does not tire me one bit. I am deeply grateful to Tanlac and I feel that I am doing a good deed every time I tell anybody about it." Tanlac is sold in Portland by the Owl Drug company.—Adv.

HOW TO JUDGE A WOMAN BY HER HAIR

There is real common sense in just noticing whether the hair is well kept to judge of a woman's neatness, or good taste. If you are one of the few who try to make the most of your hair, remember that it is not advisable to wash the hair with any cleanser made for all purposes, but always use some good shampoo. You can enjoy the very best by getting some canthrox from your druggist, dissolve a teaspoonful in a cup of hot water. This makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head. Dandruff, excess oil, and dirt are dissolved and entirely disappear. Your hair will be so fluffy that it will look much heavier than it is. Its luster and softness will also delight you, while the stimulated scalp gains the health which insures hair growth.—Adv.
