DOUBLE YOUR MONEY.

We are authorized to offer you this sacrifice for quick action. Seventeen acres, located on main highway now being completed with payment only 20 minutes from Portland. This is less than half the former selling price, and at that time was a half mile from the main DIRT road, the new PAVED highway now under construction, which they intend to complete before the June convention, now runs past the property. The property was surveyed and platted and a fine macadam road put in front of every acre, and additional expense unnecessary to place on the market. We have need of this to sell in tracts, but present owner will only sell as a whole; $5000 will handle this property and return you a big profit of $10,000. See us at once.
