CANADIAN FARM LANDS—Your last opportunity; in central Alberta and Saskatchewan are rich park lands, open prairie ready for the plow, interspersed with trees, which afford excellent shelter for stock. Here grain-growing, dairying and livestock are being carried on successfully. The country is ideal for mixed farming. The Canadian Pacific railway is offering a large area of these fertile lands in the Lloydminster and Battleford districts. This fertile land will become home of thousands of prosperous farmers. Near Lloydminster the world's prize oats have been grown, and on similar land Seager Wheeler grows the world's prize wheat, and butter of the highest quality is made. A man can soon become independent on a farm in this district. These lands can be bought now at prices averaging about $18 an acre. You pay down 10 per cent. If land is purchased under settlement conditions no further payment of principal until the end of fourth year, then 16 annual payments, interest at 6 per cent. For literature or further particulars, Canadian Pacific railway, 208 Railway Exchange bldg., Portland, Or., L. F. Thornton, district representative.

HOW WE MADE

ONE FELLOW HAPPY

YESTERDAY.

MAYBE WE CAN DO IT FOR YOU, TOO.

A young acquaintance of ours, blew in yesterday and with an air of perfect innocence started in cross-examining us about used cars.

Laying his hands on a Chandler Six that we took particular pride in, he remarked, "How about this one?"

"Try it out for yourself," we replied, "and if it isn't just about as good as new, you're only out a little time."

He came back in an hour with a deposit, tickled to death; said he had three different mechanics look it over and all declared it "in good condition."

We merely mention this incident to convince you of the fact that we really have some excellent "buys" and that we give it to you straight about what they're worth and the condition they are in.

In other words, you don't gamble much on a used car bought here because we are not used car dealers (every one having been taken in on a new car) and because our name is well-known and our reputation for dependability is behind every settlement made. And another attraction, of course, is the well-known easy Obye terms.
