TUSCAN

Mineral Springs

OPEN EVERY DAY IN THE YEAR.

To Whom It May Concern—

I came to the above springs on April 6 to take treatment for my eyes. I had a very severe attack of catarrh of the eyes, was almost blind after treating with the best specialists that could be found, and suffering for nine years. I have at last found a cure here at the FAMOUS TUSCAN SPRINGS. I cannot praise them too highly. I hope that others that are afflicted will give them a trial. Respectfully,

W. L. PALMER,
Room 508, Commercial Blog., Portland, Oregon.

Mr. L. C. Palmer, of Palmer, Or., was cured of rheumatism. If you are sick write to us; we will give you the name and address of some one cured of a similar complaint.

PROPOSED IMPROVEMENT OF WEST PARK STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 6th day of July, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deem it expedient and proposed to improve West Park street from the north line of Taylor street to the south line of Washington street in the following manner, to-wit:

First—By grading the street to the proper grade full width with full intersections except at the intersection of Alder street and of Morrison street.

Second—By paving the street full width with full intersections with asphalt on a concrete foundation six inches in depth with two-foot brick gutters.

Third—By constructing artificial stone sidewalks in accordance with the City Engineer's plans, specifications and estimates.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 27th day of June, 1904, indorsed: "City Engineer's plans and specifications for the improvement of West Park street from the north line of Taylor street to the south line of Washington street and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet west of and parallel with the west line of West Park street and a line 50 feet east of and parallel with the east line of West Park street and between the north line of Taylor street and the south line of Washington street.

The Engineer's estimate of the probable total cost for the improvement of said West Park street is $7,558.00.

The above improvement is to be classed as an asphalt improvement and shall be maintained by the City for the period of four years, provided that the owners of a majority of the property benefited by said improvement or any portion thereof shall not petition for a new or different improvement before the expiration of such period.

The plans, specifications and estimates of the City Engineer for the improvement of said West Park street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrances against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council,
THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, July 9, 1904.
