AT THE
COVEY MOTOR CAR CO. PLANT.

If you have ever contemplated the purchase of a used car, now is the time to make your choice. The situation at the present time is such that we have been able to buy these cars at a much lower figure than former prices, and you may secure a car, in perfect condition, rebuilt and refinished, for a great deal less than ever before.

Dodge Brothers cars, for which we are local dealers, have become so popular and, unfortunately, have been so hard to obtain, that we have of necessity become a little more rigid in our appraisal on the used cars to be turned in.

Our selling price, based on cost plus rebuilding and refinishing charges, we believe is a great deal less than the same quality of car can be purchased elsewhere.
