WEATHER REPORT.

A small disturbance moved eastward yesterday across British Columbia and joined forces with the storm north of Montana. The center of the main disturbance now overlies the Canadian northwest, with an extension south to Texas. High pressure areas continue over northern California and the south Atlantic states. The disturbance which moved across British Columbia caused maximum wind velocities as follows: Seattle, 44 miles, southwest; Spokane, 30 miles, southwest; Pocatello, 30 miles, southwest; Helena, 40 miles, west; Kalispell, 28 miles, southwest; Havre, 36 miles, southwest. The high winds in the north Pacific states have now subsided. Rain has fallen in western Oregon and western Washington and light snow is reported in eastern Oregon, southern Idaho and western Colorado. Fair weather prevails generally elsewhere in the United States, with temperatures above normal in the northern states.

It will be cooler tonight in this district with fair weather east of the Cascade mountains and probably occasional rain in western Oregon and western Washington.

NOTICE.

PROPOSALS FOR SUPPLIES—Salem, Oregon, December 9, 1905.—The board of trustees of the Oregon State Insane Asylum hereby invites sealed proposals for furnishing the following supplies to the institution for the six months ending June 30, 1906: Groceries, millfeed and flour, meats and fish, dry goods, drugs, stationery, leather and findings, shoes, plumbing, hardware, tinning, crockery and glassware. Lists of said supplies will be furnished by the clerk of the board upon application. Samples can be seen at the asylum, and goods must be in accordance therewith. Where samples are required and not furnished by bidders, the articles must be equal to samples to be seen at the asylum, and bids will be assumed to have been made on basis of samples. All goods must be in strict accordance with sample, in original packages, when possible, and delivered at the State Insane Asylum within 20 days after the contract is awarded, and bids must be on blank forms, which will be furnished, together with instructions to bidders, by the clerk, upon application. Each bid on flour or meat must be accompanied by a certified check of $300, and each bid on fish by a certified check of $75, and all other bids by certified checks equal to 10 per cent of the amount bid; checks of unsuccessful bidders to be returned immediately, and those of accepted bidders when the contract is completed. Bids must be inclosed in sealed envelopes and directed to the board, care of the clerk, and plainly marked "Bids for Asylum Supplies," and the class of goods bid on should also be inscribed on the envelope. Price, fitness and quality being equal, preference will be given to articles manufactured, grown or produced in this state. When a particular article is specifically called for, bids for other kind, or manufacture, or brand, equally good, will be entertained, but to insure recognition of such bids samples of the articles it is proposed to supply must accompany them.

Bidders will take notice that there is no appropriation available for maintenance of the asylum. Therefore claims for supplies can only be audited by the secretary of state and certificates of evidence and allowance issued to claimants. As soon as there is an appropriation available, warrants will be issued in lieu of the certificates.

The board reserves the right to reject any or all bids, or to accept or reject any part of a bid. Bids will be opened at the capitol at Salem at 10 a. m. Wednesday, January 10, 1906.

By order of the board of trustees of the Oregon State Insane Asylum.
W. N. GATENS, Clerk.
