WEATHER REPORT.

A high pressure area of considerable strength is central over southern Idaho, and generally fair weather, with mild temperatures, prevails in this district. The New Mexico disturbance has moved southeast, and the precipitation resulting therefrom fell principally in Texas, Oklahoma, Kansas, Nebraska and eastern Colorado. A disturbance is advancing eastward over northern British Columbia, too far north, however, to influence the weather in this district. The western high pressure area is now central over New England, and the weather everywhere east of the Mississippi river is fair, with temperatures generally below normal.

The indications are for fair weather in this district tonight and Wednesday, with light frost in the interior of western Oregon and western Washington.

NOTICE.

NOTICE of public sale of the franchises and property of the Oregon Traction company. Notice is hereby given that the stockholders of the Oregon Traction company have adopted a resolution authorizing and directing the dissolution of the said corporation and the disposition of all its property.

Pursuant to said resolution and the resolution of the board of directors authorizing and directing the sale of all of the property belonging to the company, I will, at the hour of 10 o'clock a. m., on Thursday, the 15th day of March, 1906, at the front door of the county courthouse, in the city of Portland, Multnomah county, Oregon, offer at public sale, to the highest bidder for cash, the franchises, roadbed, track, rights of way and contracts for right of way, together with all maps, profiles, office fixtures and furniture, and all property of whatever kind owned by said corporation. The said property will be sold in bulk, and as an entirety.

The said franchises of said company referred to are as follows, to wit:

A franchise authorizing the construction of a railway line through the city of Hillsboro and a franchise granting the right to construct a railway on and over certain streets in the city of Forest Grove, Washington county, Oregon, and a franchise granted by the city of Portland, Or., by ordinance No. 14,504, entitled, "An ordinance granting to the Oregon Traction company, its successors and assigns, the right to construct, lay down, maintain and operate railways and poles and wires and underground conduits in the city of Portland, Or." (Approved by the mayor of said city on the 6th day of April, 1905.)

The constructed track belonging to said company consists of about 3,880 feet of double track laid on Twelfth street, in the city of Portland, Or., between Burnside and Overton streets, in said city, and 260 feet of double track on Pettygrove street, between Thirteenth and Fourteenth streets, in said city, and three crossings on Sixteenth, Twenty-third and Twenty-fifth streets, at the intersection of Pettygrove street. The said corporation is now indebted in about the sum of $35,000. Of said sum about the amount of $3,500 is due the Germania National bank of San Francisco, Cal., for which $100,000 par value in amount of the bonds of the company secured by a mortgage or deed of trust on all the property of the company are deposited as collateral and of which said total amount about the sum of $14,700 is secured by mechanics' liens on the franchise, roadbed and constructed track of the company in the city of Portland, the remainder of said indebtedness being unsecured.

The said property shall be sold to the highest bidder. The purchase price shall be paid in full, in cash or by acceptable certified check, at or before 3 o'clock p. m. of the day of sale. Payment to be made to the undersigned at the office of the company, Union block, Portland, Or.
