HELP WANTED—MALE.

Help Wanted—Salesmen.

SALES MANAGERS.

I want immediately three high-class men, preferably those who are mechanically inclined and have had selling experience in some branch of the automobile industry. These men are wanted to become District Managers for the organization and operation of this territory for an automobile necessity; one which has no competition, and for which there is a tremendous demand.

These men will not be required to make any investment excepting 100 per cent of their time and energy. Their territory will be exclusive. They should have cars and be able to finance their own expenses during the organization stage of the business.

I want to talk only with men of proven ability, of good personality, and established reputation, men who will not be satisfied with earning less than $10,000 per year.

To three such men I can offer a business opportunity of a lifetime, one which will be pleasant, profitable and permanent with future possibilities limited only by the ability of the men themselves.

Phone Mr. Runyan, Room 520, Portland Hotel, for interview Tuesday or Wednesday.

HOW MUCH are your brains worth? We can tell you if you are honest and industrious, be you banker or rancher; we can show you how you can increase your income by applying your brains and industry to a business that is daily growing; where your income is limited only by your effort; we start you in business without any investment on your part; selling ability is essential but not necessary; choice territory is available in Oregon. For full particulars address Heinrich Chemical company, 570 3d st., Oakland, Cal.
