CHIROPRACTIC
A science of curing disease that has astonished the world.
A dignified profession that demands the interest and respect of all classes.
If you are interested in the welfare of suffering humanity a future of success awaits you by becoming a chiropractic physician.
We invite you to visit our college and become acquainted with the facts concerning this drugless method of treating disease and the courses given in this institution.
We are starting a special course. The first semester opens Feb. 18, 1918. Bright young men and women, with good moral character, are offered opportunities to earn their tuition and living expenses while learning.

1916 DELINQUENT TAX LIST

The following list of real property situated in Multnomah county, state of Oregon, is hereby advertised for delinquent taxes assessed for the year 1916. This advertisement is authorized by an act embodied in Chapter 266 of the General Laws of Oregon, as passed by the 1917 session of the legislative assembly.

The taxes on the following advertised list of real property became delinquent October 6, 1917, and are subject to a penalty of 5 per cent and interest at the rate of 12 per cent per annum until the said taxes shall have been paid.

Notice is hereby given that six months after the taxes charged against the following real property first became delinquent the sheriff is required by law to issue certificates of delinquency against the said property for delinquent taxes. The said certificates of delinquency shall bear interest at the rate of 12 per cent per annum until the certificates are redeemed.

Any time after the expiration of three years from the first date of delinquency of any tax included in a certificate of delinquency the holder of such certificate may cause summons to be served on the owner of the property described in the certificate, notifying the owner that he will apply to the circuit court of the county in which such property is situated for a decree foreclosing the lien against the property mentioned in such certificate.
