TO CHEAGE 57

CHEAP land, big crops; high prices have put the farmers of Western Canada on a prosperity footing that was undreamed of before the world war. More Western Canada farmers have big bank balances than ever before; more Western Canada farmers are spending this winter in California and Florida than ever before; more automobiles were bought last year by Canadian farmers than ever before. Western Canada has struck its stride and the man who gets in there now is going to make money for years to come. Along the lines of the Canadian Northern railway is some of the best land in the country—price $15 to $25 per acre (easy terms) and 128,000—160 acre FREE farms. Let us tell you all about Western Canada and why more land was sold to American farmers in 1917 than in any one previous year. Send for FREE illustrated books and folders. Call on or address A.
