### WANTED—AGENTS.

AGENTS WANTED—TO MAKE MORE money than can be earned on a salary is entirely dependent on one thing—the selling qualities of the line. A wide experience in agency merchandising convinced us that ladies' outside garments, such as suits, waists, skirts, capes and raincoats, was the proper line, and we opened an agency department for that class of merchandise. It was successful from the start, and has required continual enlargements, until now we are prepared to handle orders from every town in the country. We want permanent representatives everywhere, both men and women, to whom we will give exclusive territory. A complete sample line will be furnished free with all necessary supplies. We pay very liberally, and aid in securing orders by extensive high-grade advertising. Full particulars in free booklet. 282 Chester & Fleming Co., 178 State st., Chicago.
