GOOD NEWS FOR ALL USED CAR BUYERS

And right at the most opportune time of the year.

"VACATION TIME."

The Boss just returned from a very extensive and successful trip buying used cars, and informs us that he purchased approximately 100 good cars at prices that will permit us to resell them far below their actual values.

It is an acknowledged fact that we have been selling cars at a much lower figure than any of our competitors, and now, right at a time when there is a pronounced shortage of new cars, and used car prices have gone sky high, we are going to sell high grade late model slightly used cars at prices that will no doubt cause the envy and suspicions fellow to think they were probably obtained quietly at night without any arguments with their former owners concerning price or clear title.

Remember, folks, we are on the East Side, out of the high rent district.

Liberty bonds taken at face value and easy terms given on any car you purchase, if it is not convenient for you to pay cash.

Read this over very carefully and then beat it for No. 12 Grand ave. North and pick out a good one. They won't be here long at these prices.

Take a tip. Get busy.

Here are a few of them:

1919 Studebaker Big 6, 7 passenger, six cord tires. Car has run only 2100 miles.
1918 Chandler Dispatch, 5 wire wheels, 5 cord tires. This car is just like new.
1918 Jordan, 6 passenger, 5 wire wheels, 5 cord tires. This is a beauty.
1918 Jordan, 4 passenger, 5 wire wheels, 5 cord tires. Can't beat it.
Packard Twin 6; run only 1100 miles. Looks and runs like a new car.
