NOTICE, AUTO STUDENTS
THE ADCOX SCHOOL ORIGINATED THE FREE TRIAL OFFER. A thorough investigation will satisfy you that schools trying to IMITATE OUR METHODS have nothing but a WEAK SUBSTITUTE TO OFFER.
HERE'S HOW WE PROVE IT
Come here four weeks—pay not a cent in advance. If you are then satisfied that our training is the superior of any other Pacific Northwest auto school, pay your tuition. If you are not satisfied that our school excels, we will pay you for every hour you have attended class. This is the most startling offer any auto school ever made. There is no red tape to it—we gladly will put it in writing. We are willing to depend entirely upon your honesty and good judgment. Only a different, unquestionably superior school could make such an offer. If our training were just the ordinary kind, this offer would be suicidal. But we know where we stand—know that the quality of our training will win you if given a trial. We will make you an offer that you cannot afford to turn down. The details of this unusual offer and full particulars of the remarkable Adcox course are found in a large, impressive book which has just lately come from the press. Those who have seen it pronounce it the most finished work of its kind ever published. Tells why automobile schools are different—why Adcox graduates are successful—tells you how to judge an automobile school—what counts and what is sham. It will make you a friend of the Adcox school the moment you start to read it. It costs us 65c, but we will send it to you absolutely free for the asking. Call in person at the school or send us your name and address and your copy will come through by return mail.
