Men and women wanted to answer this question: Why labor, when you can buy the sort of stock capitalists call "gilt-edge" security, at 9½ cents per share, worth $10 on the spot, and will make you more ready coin than you ever dreamed of making with 15 times the cash outlay? You virtually make 2 per cent over night. Many of the city's best people already interested. Wide open to the employed class only, in any sum from $10 up. Address, "World's Standard," V 20, Oregonian.
