NEW TODAY

AMONG THE FIRS ON PORTLAND HEIGHTS

This low, rambling bungalow, built of hollow tile, enormous living room with extra large fireplace, Dutch kitchen, two large porches, one of which is large enough for two or three beds. The house has bath and toilet, concrete basement and splendid shower. The ground consists of ½ acre fronting on both upper and lower drives. Both the ground and the house are in very poor condition, but the possibilities for improvement are unlimited and the price, $4200, certainly should make this an attractive proposition, and we think that the house alone could not be duplicated for this price. $1650 cash, balance $20 monthly.
