SPORT LIVELY AT HARNESS MATINEE

Georgia Rose Turns Somersault in Second Heat of First Race, 2:35 Pace.

CHICO CAUGHT IN MIX-UP

Both Drivers Thrown, but Neither Men Nor Horses Are Hurt—Mule Race Creates Fun—Zoe Beats Altas in Match Race.

A good racing card was given by the Riverside Driving Club yesterday afternoon at the Country Club track. Seven numbers appeared in the programme. The contests were spirited. Starter Woods was careful but prompt and by avoiding delays the interest of the grandstand held to the finish. Attendance was fair, sufficient, though, to encourage the club to continue the matinees, perhaps fortnightly, through the Summer.

In the first race, the 2:35 pace, Baron Lovelace drew the pole, but was overhauled by Georgia Rose at the quarter. The mare was not headed and came in a length ahead in 2:24. This mare is own sister to Oveta 2:12¼.

In the second heat, Georgia Rose led to nearly the half when Baron Lovelace overtook her. Just then she broke and turned a complete somersault, throwing out her driver, O. J. Brown, and catching Chico in the mix-up. Dave Anderson, Chico's driver, was also thrown. Georgia Rose was caught at the three-quarters, but Chico paced in driverless without making a break. This brought Baron Lovelace in first, with Brown Lace second, Chico third and Georgia Rose fourth.

Though none of the drivers or horses was seriously injured, Georgia Rose and Chico were drawn and the next heat went to Baron Lovelace, with Brown Lace second in 2:27. This was Baron Lovelace's first race, and his owner, President Laidlaw of the Driving Club, added another trophy to his collection.

Good Time in 2:35 Trot.

The second race was the 2:35 trot. This race was won by Cela Nun in 2:38 and 2:35, though the second heat was taken by G. K. Howitt's mare Belle H in 2:28¾.

Zoe, G. K. Howitt's bay gelding by Zombro, dam the famous Lida Carter, dam of Nutwood Wilkes, won a match race with Altas 2:15¾ in 2:25½ and 2:20. In the second heat Zoe broke at the quarter and gave Altas the lead which he maintained up to the three-quarter pole. There Howitt made a great drive with Zoe and came in a length ahead of Altas, making the last quarter in :32½.

The match between Blue Jacket, owned by L. W. Watts and Charles Shea's Lovelace was taken by Lady Lovelace, although Blue Jacket won the first heat in 2:26. The mare, however, had the most speed and annexed the second and third heats in 2:19 and 2:20. This race was for $50 a side and considerable change shifted about on the side.

William Walters on Caesar won the Laidlaw cup in a half-mile dash in :52. Call Bond second and Oregon Maid third.

The mule race, one mile, brought out four solid looking mules and four nervous-appearing riders. They were A. L. Powell on Flying Fox, J. S. Crane astride of Ormonde, Paul Dick on Medler and J. M. Rieg with Hamburg for a mount. After cantering sedately to the three-quarters, Joe Rieg shot Hamburg to the lead and saw the wire within reach but Ormonde's rider was game and with a remarkable effort lifted the namesake of greatness in first, winning the hat which announcer Samuel Kramer especially stated is new.

Four Starters in Handicap.

This left the handicap, mile and a quarter dash, for the finish. Only four horses started. The horses on scratch position were drawn, leaving Dotty Dimple back 40 yards, Rastus 60 yards and Zeltoka and Roselle 80 yards from the quarter pole.

Now Roselle is a new white horse in Portland and has a race record of 2:14, taken some time ago. Paul S. Dick acquired this gelding for matinee purposes and it was evident that he knew what he was about. For Roselle gradually overhauled the rest of the field and with Zeltoka came in through the stretch neck and neck. Roselle, though, let out an extra link and won by a length, time for the mile and a quarter 2:08½.

CRICKET CLUB RUNS UP BIG SCORE ON SEAMEN.

Crew of Suveric Loses by Five Wickets and 72 Runs on Montavilla Field.

The Portland Cricket Club played a match yesterday at the Montavilla grounds with a team from the steamship Suveric, now in port, selected by Captain Shotten of that ship. The local men won the toss and batted first on a perfect wicket compiling the score of 158 for six wickets. Phinn, who was top scorer with 43, played a good game and F. Browne also rendered valuable assistance to his side.

The seamen scored 86 runs, of which Neame made 27, thereby losing the match by five wickets and 72 runs. Shipley captained the local team, Fenwick, the club captain, being unable to play on account of an injured knee.

The fielding of the Portland cricketers was quite up to mark, only one catch being dropped, which luckily did not make any material difference to the result.

Piano Sale Extraordinary

We Had to Quit

But Delayed Cars Are Here Now and Selling Will Be Resumed

Bring $5 or $6 and Get a Nice New Piano Now. Prices $138, $162, $146, Etc. Never heretofore was it possible to secure so much genuine piano value for the money. Probably never again. Come first thing tomorrow.

This sale came to an abrupt stop Wednesday noon.

The remaining two carloads in this sale were to arrive early in the week, but they met with unusual delay.

Within three days after the first announcement of the sale so many instruments were sold that we had to stop our advertising.

Since Wednesday noon we made no deliveries and simply sold these fine pianos by sample.

We are glad to announce that at last the two cars have arrived.

The additional forty-two pianos are now on sale.

The prices are **$138, $162, $146.** Pay $5 cash and $5 a month.

There are eighteen $300 and $350 styles reduced, **$127, $164** and **$154.** On these, terms are $6 cash and $6 a month.

If you wish to pay cash, a premium of 4 per cent goes to anyone wishing to pay in full within thirty days.

See these pianos, note the reductions; no such occasion for securing a piano so tremendously under price will be presented again in several years. There is an awakening to prosperity throughout the East.

We found two well-known piano manufacturers with a large stock of finished pianos. They were terribly anxious to realize. We secured these latest high-grade pianos at a most extraordinary reduction. We pass this advantage along to wide-awake midsummer buyers.

Bear in mind, we guarantee every instrument as to quality, and also as to price. Your money back if at any time within six months you can buy the same grade of pianos elsewhere, East or West, at anywhere near such low price.

Should you later on want the best in the world, the Chickering or the Kimball, or that beautiful art piano, the Weber, or the Pianola Piano, we will any time within two years allow total price paid for these pianos in exchange toward the former.

Chicago Second and Vancouver, B. C., Third, While Portland Gets Four Points in Seattle Stadium.

Fischer, of North Yakima, Wash., who finished second. D. Stopblet, Kansas City's crack runner, lost a shoe in the 14th lap. He ran a full lap without his shoe, dropping back of the field. MUST WAIT FOR DIVORCE

Mrs. Tyler's Nevada Residence Not Completed.

RENO, Nev., July 24.—(Special.)—Judge Pike this morning denied a decree of divorce to Mrs. Helen B. Tyler, holding that the young woman's five months' trip to Paris had destroyed her residence and left the court without jurisdiction in the case. The case was not ordered dismissed and, when Mrs. Tyler has completed a continuous residence in Nevada of six months, which will be about four months from this time, she will be allowed to file another complaint for divorce.

Judge Pike reviewed the evidence in rendering his decision, which showed that Mrs. Tyler came to Nevada some time in August of last year. She left Reno during November, going direct to Paris, where her mother was seriously ill. She returned to Nevada during May of this year, and her suit for divorce was filed on June 30. During the time she was in Paris she left a portion of her personal belongings at the Colonial apartment-house in this city.

Mrs. Tyler asked for a divorce on the grounds of desertion and failure to provide. Her husband is Francis J. Tyler, a professional singer, now engaged at the Herald Square Theater in New York. Mrs. Tyler is the daughter of Brigadier-General Lloyd M. Brett, of the Regular Army.

A speed of 46 miles an hour is claimed for a Detroit motorboat, to which additional propulsion is given by an aerial propeller.

Many backers of Papke believed he should have had a draw decision in the last fight, and they are willing to bet he can whip Ketchel if he would only extend himself and quit cautious tactics.
