## *Did the Children Meet Old Santa Yesterday?*

*—My! Did you see the throngs that made Toytown look like the day before Christmas?*

—And the exclamations of delight—the Oh's! How the thousands of little hearts were gladdened to spend a few hours in this Fairyland of dolls and toys.

—Old Santa has a new house and his reindeer are here, just as he stepped out of the sleigh.

—The little village of Sonneberg, Germany, where the whole town does nothing but make toys—has sent its usual immense shipments direct to Meier & Frank's. How we got our toys from abroad when so many other stores failed, is another example of Meier & Frank leadership.

*—From now on prudent parents will select their toys and have them laid aside.*
