The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

Improving Their Opportunity to Learn About the Nicaraguan Canal.

MANAGUA, Nicaragua May 1, via Galveston.—(Special Nicaragua dispatch, copyrighted by Associated Press.)—Officers belonging to the British fleet were ashore yesterday at San Juan del Sur, a small port near which the Pacific entrance to the Nicaragua canal is to be built. It was noticed they were making measurements and topographical sketches of the land, and they also were apparently making observations along the route to be followed by the canal from the Pacific to Lake Nicaragua. Officers made sketches and took notes about Brito, and although ordered to desist by the Nicaragua governor there, they continued their work and refused to return on board their ships.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

RICHMOND, VA., Oct. 2, 1894.

Indiana Bicycle Co., Indianapolis, Ind.:

GENTLEMEN—The Waverley Scorcher and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for $85? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last [and you know that is a right good number], we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.

Yours truly. WALTER C. MERCER & Co.
