THE DIPLOMATIC RELATIONS RESUMED

A Notable Occasion in the World's History.

LETTER FROM QUEEN REGENT

Spain, it Seems, Wishes to Forget the Past—The Duke and the President Shake Hands.

WASHINGTON, June 3.—The diplomatic relations with Spain, broken off April 21, 1898, were formally resumed at 11 o'clock today, when President McKinley greeted Duc d'Arcos, the newly accredited minister to the United States, in the blue parlor of the White House. Simultaneously in Madrid, if the programme arranged was carried out, Bellamy Storrer, the new United States minister to Spain, was being presented to Christina, the queen-regent, during the legal minority of his Catholic majesty, Alphonso XIII.

It was a notable occasion in the world's history—the resumption of friendly relations between two nations which had been at war and in the brief struggle had changed the map of the world. The speeches of today were especially notable. They were plain-spoken and devoid of the usual hazy diplomatic phraseology. The ceremony was exceedingly simple.

Upon reaching the blue room, they were presented to the president by Secretary Hay. The president was cordial but dignified in his greeting. The duc then read his address in Spanish and the president responded as follows: "Mr. Minister: I receive with the greatest gratification the letter by which her majesty, the queen regent of Spain, in the name of her august son, Alfonso XIII, has accredited you near this government as envoy extraordinary and minister plenipotentiary. You will find, Mr. Minister, a cordial welcome in this country, not only from those whose friendship you acquired during your former residence, but from all our people, who rejoice as I do at the renewal of the ancient bonds of amity which, with a brief interruption, have united our nations for more that 100 years.

"That these friendly relations may be confined and strengthened to the advantage of both people is my earnest wish and I can assure you that every member of this government will heartily cooperate with you to that desirable end."

At the conclusion of the address the president stepped forward and shook hands cordially with the new minister, and they engaged in conversation in a low tone for a minute or two. The party then retired and was driven to the Arlington hotel.

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering, The proprietors of Dr. King's New Discovery for consumption, coughs and colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call on Blakeley & Houghton, druggists, and get a free trial bottle. Regular size, 50 cents and $1. Every bottle guaranteed or price refunded. 3

No Call for Troops.

WASHINGTON, June 2.—The cabinet at its meeting today decided there was no present necessity for the enlistment of more volunteers.

The situation was gone over very fully before this conclusion was reached. The president stands ready to authorize the enlistment of volunteers, should more men be deemed necessary.

A letter received from General Wood, governor of Santiago province, was read at the meeting, which was considered eminently satisfactory. General Wood has completed a tour to the province, and has found things in admirable condition.

BATTLE IN THE HILLS

Campaign Begun Against Pilar's Force of Rebels

MANILA, June 4.—10:45 a. m.—A vigorous campaign was begun Saturday against General Pio del Pilar's force of 2000 rebels in the foothills at the north of Laguna de Bay, and in the towns of Cainta, Taytai and Antipolo, under the supervision of General Lawton. General Hall, with 2500 men, moved northeast from the pumping station, and Colonel Wholley, who relieved General King in command of his brigade, proceeded east from San Pedro Macati, the two divisions approaching each other. Colonel Wolley captured Cainta with small loss, the rebels fleeing before the advance of the United States troops. General Hall drove the Filipinos from the vicinity of Mariquina, sweeping them toward Colonel Wholley's column.

Would Not Suffer So Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. WILSON, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by Blakeley & Houghton, Druggists.

A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough Remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has always given the most perfect satisfaction, we feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks.—Respectfully, MRS. S. DOTY, Des Moines, Iowa. For sale by Blakeley & Houghton, Druggists.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undertermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamnick & Co., of Shelby, N. C. Trial bottles free at Blakeley & Houghton's Drug Store.

Regular size 50c and $1.00. Every bottle guaranteed.

W. M. Gallagher, of Bryan, Pa., says: "For forty years I have tried various cough medicines. One Minute Cough Cure is best for all." It relieves instantly and cures all throat and lung troubles. Snipes-Kinersly Drug Co.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F. A. BABCOCK, Erie, Pa. It is for sale by Blakeley & Houghton, Druggists.

REPUBLIC IS IN ASHES

Business District of the Town Destroyed by Fire.

LOSS IS ESTIMATED AT $250.000

Conflagation Started From the Explosion of a Gasoline Stove in the Siegel Building.

REPUBLIC, Wash., June 3.—A disastrous fire broke out here at 6 o'clock this morning, and before the flames were brought under control the damage amounted to $250,000. At noon today the business portion of the town is a mass of smolding ruins, while on three sides are rows of scorched buildings marking the path of the flames. The fire fighting apparatus could not check the blaze and it was only used to save some of the buildings outside the fire zone that were smoking and breaking into flames at times.

The fire was started by the explosion of a gasoline stove in the Siegel building on Clark avenue, where men were cooking breakfast. It spread on the west side of the street to Browne's restaurant, and south to the Republic Trading Company's store. On the west side two entire blocks were destroyed.

Powder was used to blow up the building occupied by Alexander's law office on the opposite side of the cross street from Percy's building. Then the latter building was sent skyward, and the flying brands scattered the fire to the building on the east side of Clark ave. It is rumored that two opium fiends were burned in one of the buildings. No authenticity is given for the report, and it is impossible to learn where the supposed victims were. Twenty-eight buildings are ruined.
