Skin Diseases

When the excretory organs fail to carry off the waste material from the system, there is an abnormal accumulation of effete matter which poisons and clogs the blood, and it becomes **sour and acid.**

This poison is carried through the general circulation to all parts of the body, and upon reaching the skin surface there is a redness and eruption, and by certain peculiarities we recognize Eczema, Tetter, Acne, Salt Rheum, Psoriasis, Erysipelas and many other skin troubles, more or less severe. While the skin is the seat of irritation, the real disease is in the blood. Medicated lotions and powders may allay the itching and burning, but never cure, no matter how long and faithfully continued, and the condition is often aggravated and skin permanently injured by their use.

The disease is more than skin deep; the entire circulation is poisoned.

The many preparations of arsenic, mercury, potash, etc., not only do not cure skin diseases, but soon ruin the digestion and break down the constitution.

S. S. S., nature's own remedy, made of roots, herbs and barks, of great purifying and tonical properties, quickly and effectually cures blood and skin troubles, because it goes direct to the root of the disease and stimulates and restores normal healthy action to the different organs, cleanses and enriches the blood, and thus relieves the system of all poisonous secretions. S. S. S. cures permanently because it leaves none of the original poison to referment in the blood and cause a fresh attack.

SSS

Healthy blood is necessary to preserve that clear, smooth skin and beautiful complexion so much desired by all. S. S. S. can be relied upon with certainty to keep the blood in perfect order. It has been curing blood and skin diseases for half a century; no other medicine can show such a record.

S. S. S. contains no poisonous minerals—is purely vegetable and harmless.

Our medical department is in charge of physicians of large experience in treating blood and skin diseases, who will take pleasure in aiding by their advice and direction all who desire it. Write fully and freely about your case; your letters are held in strictest confidence. We make no charge whatever for this service. Our book on Blood and Skin Diseases will be sent free upon application.

GENERAL NEWS.

S. A. Perkins, sole owner of the Evening News, of Tacoma, has bought the Tacoma Ledger and will run it as a strong republican paper. The News will be continued independent in politics.

W. S. Uren, of Oregon City, lawyer, has gone to Johannesburg, South Africa, to look after the estate of his brother who died there last week. Mr. Uren had been in South Africa five years. He was in business before going there in Prineville, Crook county.

Judge W. R. Ellis and G. W. Phelps have dissolved their law partnership at Hillsboro, Mr. Phelps continuing the practice there. Judge Ellis, of course, will devote his time to the duties of the judgeship of the Sixth judicial district, Umatilla and Morrow counties.

At Princeton, Ill., on Sunday, John Howard Bryant, brother of the late William Cullen Bryant, quietly celebrated his ninety-third birthday, entertained by the members of his family and intimate friends. Mr. Bryant is the last survivor of a remarkable family.

J. Howard, of Portland, brings back bad news from Nome, and says that of 20,000 people who have gone there ninety per cent will make nothing. The beach has been worked over five times. There are 120 cases of smallpox and many pneumonia. There are 5000 people there who have not $10 each, no work and no money to get back.

All warrants registered prior to July 1, 1896, will be paid at my office. Interest ceases after June 30, 1900.

Snilling Albert is not a fighter, still he swings the Club so often at the Commercial saloon—in Canadian style—that even his victims appreciate it and challenge him again for a seal "long one." Orders for Canadian Club Rye whiskey by Jul. 31. J. E. Falt & Co.

During last May an infant child of our neighbor was suffering form cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Cortie Baker, Brookwalter, Ohio.
