ITCHING LIMBS

And All Forms of Itching, Scaly Humors Are Instantly Relieved and Speedily Cured by CUTICURA.

The itching and burning I suffered in my feet and limbs for three years were terrible. At night they were worse and would keep me awake a greater part of the night. I consulted doctor after doctor, as I was travelling on the road most of my time, also one of our city doctors. None of the doctors knew what the trouble was. I got a lot of the different samples of the medicines I had been using. I found them of so many different kinds that I concluded that I would have to go to a Cincinnati hospital before I would get relief. I had frequently been urged to try CUTICURA REMEDIES, but I had no faith in them. My wife finally prevailed upon me to try them. Presto! What a change! I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years when I could have used CUTICURA REMEDIES.

Legislative Measures.

INTEREST OF THRESHING HANDS.

Representative Carter has introduced a bill in the interest of threshing hands. The bill gives threshing hands a lien on the threshing machines for a period of ten days after they cease labor.

PREMIUM MONEY.

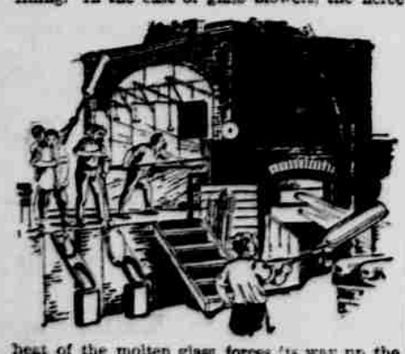
Cattanach Thursday introduced a bill in the house to appropriate $8000 for the benefit of the state board of agriculture. This amount is to be set aside and used exclusively for the payment of premiums at the annual state fair.

ROAD AND POLL TAXES.

Smith, of Multnomah, Thursday introduced a bill in the house giving the county commissioners of the various counties of the state power to levy a special tax, not to exceed five mills, for road purposes, and also enforce the collection of a $2 poll tax for road purposes. Mattoon, of Douglas and Hahn, of Clatsop, introduced bills providing for a poll tax of $4, collectable from every male citizen above the age of 21 years in every county. All of these measures have for their object the betterment of county roads.

Workmen

you have seen hundreds of your companions waste away in mill and foundry with a persistent cough. You have seen hundreds of them die with that terrible disease, Consumption. You have seen wives left penniless, and children thrown upon the mercies of the cold world, because the father coughed his life away. The air you breathe every day is full of sharp, metallic dust, which is inhaled into the lungs and irritates their delicate lining. In the case of glass blowers, the fierce



heat of the molten glass forces its way up the tube into the lungs where it gradually breaks down their delicate structure, making every cold a danger to life. You can't afford to quit working and are daily exposed to this fatal dust and intense heat. What you and your friends need is Acker's English Remedy. This will make your throat and lungs strong again. It will heal the irritation, brace up your strength, and you need never lose a day's work. I have noticed that in some mills there are no cases of Consumption. The reason is that Acker's English Remedy is used by the men working there.

Sold at 25c., 50c. and $1 a bottle, throughout the United States and Canada; and in England at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

Obituary.

The death of Mrs. Elizabeth A. Stephens at Goldendale Tuesday, January 22nd, removes from this world the last of a family of seven children, all of whom died at ages ranging from 76 to 90 years. Five of these were brothers who were all honored ministers of the Methodist Episcopal church.

Mrs. Stephens, whose maiden name was Elizabeth A. Patty, was born in Knoxville, Tennessee, December 3, 1819. She was married there in 1839 to George M. Stephens and the couple resided there after marriage about ten years, when they moved to Missouri and from thence to Arkansas, from whence they crossed the plains by ox team and arrived in Oregon in 1852, settling on a farm at Sheridan, Yamhill county, where they resided till the death of Mr. Stephens in 1885. After the death of her husband Mrs. Stephens moved to Goldendale where she resided till the time of her death.

The deceased was the mother of ten children, three of whom succumbed to the hardships of the journey across the plains, and like so many others were laid to rest by the wayside. The rest are all living and in the order of their age are: Mrs. Mary Gates, Gates, Ore.; Mrs. Martha Whitmer, Bellview, Yamhill county; W. R. Stephens, Yakima City, Wash.; Ira D. Stephens, Sheridan, Ore.; Charles F. Stephens, The Dalles; Mrs. Ella Farris and A. W. Stephens, Goldendale.

Mrs. Stephens' death was hastened, if not caused, by injuries which she received Christmas day through falling on a plank sidewalk while on her way to church. She had been a member of the Methodist church for 65 years and was greatly beloved by all who knew her as a noble, motherly, Christian woman. The funeral took place from the Goldendale M. E. church Thursday, and the remains were laid to rest, at her own request, in the beautiful cemetery north of that town.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N.Y.
