Knock-Out Drops

"I am a saloon-keeper, and used to think that rock and rye, or whiskey and quinine were proper remedies for coughs and colds. Most of my acquaintances were of the same opinion. Now I know something at least of the world times better. It is Acker's English Remedy for Coughs and Colds. A good while ago I began to cough and looked out then that rock and rye was removed. I got worse and I was beginning to think that the cough would run into consumption. I didn't like any stock in patent medicines, but somehow or other I tried Acker's English Remedy. One bottle did the business for me—knocked that cough out completely—and it has never come back again. There is never a day passes that I don't say a good word about this wonderful medicine. I am most forgot to say that I am stronger and fleshier now since taking the remedy than I was before the cough began. I write this letter voluntarily and cheerfully and am glad to do it." (Signed) OTTO HYRNE, Saloon-keeper, Pocatello, Idaho.

Sold at 25c., 50c. and $1 a bottle throughout the United States and Canada; and in England, at 1s. 9d., 2s. 9d. and 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

HIGH SCHOOL.

J. T. Neff—Principal.
Miss Josie Hill—Assistant.
J. S. Landers—Superintendent.

Owing to the fact that Miss Elsie Ball has asked the directors of The Dalles school district for another year's leave of absence in order to continue her studies at Monmouth, the board yesterday selected Miss Dasie Allaway to take charge of Miss Ball's room in the Academy Park school for the coming year. Miss Allaway is a graduate of the state university, as well as of The Dalles High school, in the class of '96. At the close of her college course she was obliged to refuse a desirable position as teacher in the Drain normal school on account of her health. She has just closed a term at Lyle, Washington.

Remark Was Impersonal.

KANSAS CITY, July 2.—General Chas. H. Grosvenor, of Ohio, speaking to a reporter of the utterances regarding the third-term question imputed to him said: "I was misquoted. The interview published was a distortion of a mere statement of historical facts regarding Washington's reasons for not accepting a third term, which I made to a party of young men. I will not say and I have not said whether I think Mr. McKinley could be elected again, but I do say that in my judgement no man will ever be elected to a third term."

General Grosvenor is en route to Winfield, Kan., where he will deliver an address on July 4.

"At a recent celebration down in the First ward," says The Philadelphia Record, "a number of Italian school children who had very musical voices sang 'The Star Spangled Banner.' As many of them knew but little of English the teacher who had undertaken their drilling carefully explained to them the meaning of each line. In the refrain they rather balked over the line 'Long may it wave.' The word wave puzzled them as they seemed to associate wave with water. But the teacher, Sig. Infanti, demonstrated to them that wave meant to float in the air. Float seemed to them a much better word, and when the chorus was again tried it went this way, much to the patient teacher's delight:

'The Star Spangled Banner,
Long may it float
O'er the land of the free
And the home o' the goat.'"

Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world, and sold by Clarke & Falk. Get Green's prize almanac. 2

Clarke & Falk have on sale a full line of paint and artist's brushes.

If you celebrate at home buy your fire works at Menefee & Perkins. If you go abroad buy them before you go. j26

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N.Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation.

With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
