From a G. A. R. Man

"My attack of miller's Asthma was very bad. I was afraid to lie down at night for fear of smothering. I couldn't get my breath. No matter if all the doors and windows in the house were open, it seemed as if there was no air and that I must surely smother to death. Mr. W. B. Long, of this city, called my attention to Acker's English Remedy for Throat and Lung Troubles. I thought little of it but bought a bottle in hopes that it might help me a little. It gave me wonderful relief, and the second bottle cured me completely. My recovery is permanent, too, for ever since I have not had the slightest return of my old enemy. I consider Acker's English Remedy by long odds the best medicine in the world for hacking coughs, asthma and bronchitis. It completely masters those stubborn diseases that many people wrongly suppose to be incurable. If sufferers will just try a single bottle, it will prove every word I have said, and more too." (Signed)

JOHN D. ELLIOTT,
Commander John Megarah Post, No. 132, Portland, Mich.

Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup."
