Accounts of the hardships and strug-gles of this poor Finnish girl have touched many hearts. Through marvel-ous perseverance, and meeting every obstacle with firm and cheerful heart, she has conquered all difficulties, and now rejoices in the well earned honor of having been the first of her country women to receive a diploma as doctor women to receive a diploma as doctor

of philosophy.

When a young girl watching her father's cattle she was filled with yearnings that she could not express to know what books and study could teach her concerning the wonders of science and the wisdom of the past, and then and there, upon the bleak mountain of her native land, she de-termined that nothing but death itself should hinder her success.

hould hinder her success. Should hinder her success.

Under the influence of dark clouds, through which no ray of light gleamed, she for a time prayed earnestly that the dear God would take her to himself, feeling sure that then all knowledge would be unfolded to cr.

This state of affairs having reached these of supple success.

the ears of a humble pastor, interes was made for herentrance into a good school, where she passed as fourth among forty-six young girls. She was then 18 years of age, and all this had been accomplished through intense

which her soul clung tenaciously.

Then came an experience of teaching, and after having saved four pounds she again set forth in quest of knowledge. "With the scantiest of luggage," she journeyed on foot to Helsingfors, where she prepared for her examinations. Three pounds of her small store were paid in advance for lodging, and this made her sure of a home for the winter. The last pound was expended in loaves of hard, round rye broad— the cheapest kind of nourishment with which she could provide herself, and

her reward.

Strangely enough, her greatest opposition was from her own sex, but bravely triumphing over even that, she was "recognized by her nation as the dauntless pioneer of woman's prog-

The statement given concerning this wonderful woman adds that she still lives, honored and appreciated by all, devoting herself heartily to the education of younger brothers, and adding continually to her own hard earned culture, her whole soul bent on the advancement and education of her countrywomen.—Harper's Basar,

James W. Kerr, the foundryman who shot and killed Edward Cognan, the molders' apprentice, at San Francisco on June 26, has been held to answer in 453,000 bail. Bonds were furnished immediately, Henry T. Scott of the Union Iron Works, W. H. Taylor of the Risdon, James Speer of the Fulton and Robert Watt of Langley & Michaels being sureties.

Forest fires have done considerable damage to lumber and dry feed in the northwestern part of Sonoma county, California, Grass is very dry, and ranchmen have been so foolish as to attempt to clear the ground of timber and by firing it. A very destructive fire near Cloverdale, which burned over several thousand acres of ground, had its origin in this way.

Sarah Althea Terry had her case against the estate of the late Villiam and commission houses of Minneapolis against the estate of the late Villiam and commission houses of Minneapolis into it.

thousand acres of ground, had its origin in this way.

Sarah Althea Terry had her case against the estate of the late William Sharon retried last Tuesday in the Superior Court at San Francisco, and Judge Shafter rendered his decision, holding that the so-called marriage certificate, which she claimed Sharon signed, was a forgery; that she never had been married to Sharon, and that she had no claim whatever upon the estate.

Warm business contest, and scone of the stan disconter or later is certain to draw the other fruit and commission houses of Minneapolis into it.

The colonization of Swedish immigrants upon the deserted farms of Vermont, a dispatch from Rutland (Vt.) Bulgaria has summoned the Colonels can be proving a success. Discontinuously that the regiments and the Deputies of a little regiments are the leading towns to assemble at Sofiaco August 3, when Bulgaria will be provided.
