It is too bad that South Hillsboro road district voted down the special tax for rock roads. The district had just a fine start, and another year or so would have meant wonders in the way of permanent roads.

When the big interests go against a man, it is generally all off with his prospects. One Theodore Roosevelt can now understand how one W. J. Bryan felt a few years ago, when the interests were supporting the McKinley second term aspirations and Teddy was in the saddle for vice.

Do not forget the fruit meeting at the city hall, Saturday, December 31. Organization is the crying need of the hour. Come out and get the Fruit Growers' Union to working for next year's crop. And no matter what happens, do not forget to spray. To spray is to get better fruit—and that is what we need. We have taken a great stride forward, the past year—but there are better things yet to come.

Frank Holcomb, of near Bethany, was an Argus caller, Thursday.

### Some Mystery.

Life is such a riddle!
Can you make it out?
Rise up in the morning,
Dress and go about,
Do a little labor,
Dine and later sup,
Is there any answer?
Have to give it up?

After hasty toilet
Grabbing off a bite,
Rushing down to business,
Then with main and might
Fussing round the office,
Raising merry Cain;
Then, with naught accomplished,
Rushing back again.

Wasting golden moments
Looking at a book
That, were Justice rampant,
Ought to have the hook.
Come to think it over,
Touching all the strings,
Might as well be doing
That as other things.

Of the why and wherefore
Who can even hint?
There is not an answer
Written or in print.
There is no solution—
Paste it in your hat—
Wherefore you can only
Let it go at that.

### Harmony.

"I want a box of candy."

"Certainly, miss! Will you have chocolates?"

"Dear me, no! They are for my friend Helen, and she never takes chocolates."

"They don't agree with some people."

"It isn't that, but brown is so unbecoming to her. I think I will take a box of that beautiful pink over there."

### Defined.

"What is a handy man?"

"A handy man?"

"Yes; we hear women speaking about a handy man."

"Oh, I guess they mean a man that is handy to blame things on."

### Much Pleasanter.

"He fought, bled and died for his country."

"But he still lives."

"Yes; that part was an afterthought."

### Well Named.

To Leights sublime we often climb,
Our patience, strength and time tax,
A dream pursue, and then the view
May well be called the clim-ax.

### He Wondered.

It was a little lawyer man
Who softly blushed as he began
Her poor dead husband's will to scan.

He smiled while thinking of his fee,
Then said to her so tenderly,
"You have a nice fat legacy."

And when, next day, he lay in bed
With bandages upon his head
He wondered what on earth he'd said.
—Lippincott's.

### Well Supplied.

An inveterate wit and punster asked the captain of a craft loaded with boards how he managed to get dinner on the passage. "Why," replied the skipper, "we always cook aboard."

"Cook a board, do you?" rejoined the wag; "then I see you have been well provided with provisions this trip, at all events."—Tit-Bits.
