OWN YOUR OWN HOME!
The instinct for a home is as natural in humanity as the instinct to mate. A young couple beginning family life in their own home, secure at once a back ground, an anchorage.
Children brought up in their own home have the supreme advantage of a domestic sentiment that is one of the most valuable of spiritual possessions.
Without their own house, there is an inescapable sense of being transients, of having no firm foundation for family life.
We have several new bungalows, 4 rooms and breakfast nook, we will sell just like rent.
