Within a very few days it will be known whether the federated orders of the trainmen will go on a strike or whether the railway companies will accede to their demands. The trainmen feel that they have a just grievance, and as the engine men and firemen are with the conductors and brakesmen it means a big percentage of favor for the men who handle the trains. There are many who profess that the railway companies will come across and agree to the requests of the employees. If the big strike shall be declared all trains will be pulled into terminals before there is a walkout.

Germany's getaway with the submarine merchantman, the Deutschland, is the marvel of the age, and it is supposed that the vessel is now in the Atlantic, safe, with a big cargo of American goods, after having discharged her load of dyestuffs. The incident has been a remarkable one and one worthy of the intensified German ingenuity and pluck.

Candidate Hughes' acceptance speech no longer leaves doubt that he is the candidate of the interests which want Uncle Sam to buckle on the armor of warfare and get into the European war on the side of the allies. Any one with a grain of judgment can read it aright.

Sipprell, of Canada, arrived last Saturday, paid into court $388.40, and the negligent benedict was allowed to go his way rejoicing. The State gets back its $148.40 which it cost to get Sipprell back from Idaho, and the wife gets the balance in monthly installments of $20 each.

Wallace Fowler, who took $90 from a Mr. Ripperdam, of Timber, some months ago, to bank in Portland, and embezzled the cash, was paroled the first of the week upon paying back the money it cost to bring him here from Wallowa Co., and reimbursing Ripperdam. He is to be a good citizen or face a sentence of imprisonment.
