HERE is the common sense way a W-B CUT user put it up to one of his friends:—

"When it comes to tobacco satisfaction, that's got to be in the tobacco in the beginning. Molasses and licorice won't put it there. W-B CUT is *rich* tobacco and chock full of real tobacco satisfaction—excess sweetening has no charm for you once you know *quality* tobacco. And remember the other points—less grinding and spitting, and half-sized chews."
