Congressman W. C. Hawley was here Saturday evening and addressed voters in the court house. His meeting was not as large as he expected, owing to the storm. He went over to Tillamook Monday morning to make addresses in that county.

WHEN a gentleman gets acquainted through and through with W-B CUT Chewing, he finds that the common sense of it helps him across a feature of ordinary tobacco he never did like. The shreds of tobacco give up the tobacco satisfaction *without so much grinding and spitting*—the salt helps bring out the good tobacco taste—and because it's *rich* tobacco, a *small* chew lasts and satisfies.
