Hilhi Short of Old Players in Basketball

Basketball prospects for Hilhi are rather dark for the first half of the season with a distinct shortage of experienced men, most of last year's team being lost through graduation.

Of last year's team, only three lettermen remain, and only one of these with much experience. The men are Sutherland, Baumgartner and Ed Grogan, while Baumgartner is the only regular of last year's basket shooters.

Wahner, regular of a year ago, graduates with the end of this semester, while Mohr and Howell, centers of a year ago, will not be eligible again, according to B. M. Goodman, head coach.

Among the new players advanced from the second squad of last season, is Miller, slated for a spot at center. He has good height and is said to be showing rapid development.

Other material includes Lawrence, while the guard positions probably will be filled by Sutherland, Stretcher, Harry Wojahn and Rucker.

Meanwhile other material is being rounded into shape as rapidly as possible to fill any gaps which may occur. Practice was begun early this year under Wesley Clausen, new basketball coach, with several men added to the squads at the close of the football season.

The main schedule will begin after New Year's, but at a recent conference it was decided that each of the schools in the conference would play at least one game before the Christmas vacation. Following that decision, Hillsboro met Clatskanie Tuesday night there.

Friday night the squad will meet McMinnville in a non-conference game.

The next game will be in the conference with St. Helens there on January 5.

Hilhi Football Team Holds Annual Dinner

Annual football banquet of the Hilhi football team was held Saturday night in Veterans' hall with about 36 present. The annual dinner is staged by the football men with their fathers as guests. Alvin Mohr acted as toastmaster with short talks given by team members and fathers. W. G. Hare was the speaker.

Vikings Win

Forest Grove high school basketball team defeated Rainier at Forest Grove Tuesday night 23 to 11. Grove's seconds beat the Rainier reserves 36 to 19.

Hoop League to Begin Season First of Year

Washington county basketball league will make its official bow to the fans in Hillsboro the first week in January, it was decided at the meeting held in the office of Dr. Abrams. All eight teams will be seen in action on that night, it was announced.

Besides the regular games, there will be contests for the most accurate shot among the teams, competing for a prize offered by the Men's Shop of Hillsboro.

The opening will be held on the gymnasium floor of the Hillsboro union high school on whatever night the floor is obtainable, Dr. Abrams said. At the last meeting Dr. Abrams was requested by the entire league membership to continue with the management.

A final meeting will be held a week before the opening of the league and it has been decided that any team not having enough interest to have a representative present would be dropped from the league list. Up to date, teams which have been represented include Tualatin, Tigard, Orenco, Beaverton, Banks, Cornelius, Carlton and Hillsboro.

However, the Hillsboro team still remains to be fully organized, despite the fact that there are a large number of players here. Dr. Abrams is urging that Hillsboro players report at once to complete the local team, pointing out that with Hillsboro the center of activities, the city also should be the first in the field with its team.

Prominent Figures in the First Christmas Seal Sale

Miss Emily P. Bissell who thirty years ago originated the first Christmas Seal sale in this country is shown above with Leigh Mitchell Hodges, then a columnist on the Philadelphia *North American* and her enthusiastic backer in selling penny stamps to raise money to fight tuberculosis. In honor of Miss Bissell a luncheon was held December 8 in Wilmington, Delaware, at which Dr. Thomas Parran, Surgeon General of the United States Public Health Service, was the chief speaker and Mr. Hodges the toastmaster. The luncheon was attended by 350 distinguished physicians and laymen, and messages of congratulation were received by Miss Bissell from tuberculosis associations all over the country, and from foreign countries that sell Christmas Seals to finance their tuberculosis programs.
