Beaverton Limits Fireworks Sale

BEAVERTON — Town officials this week began a careful checkup upon the obedience with which merchants were observing the Fourth sales restriction ordinance. The ordinance was passed last year and provides that no noise-creating goods may be sold or used prior to July 1 and following July 7, thus limiting town disturbance to this period each year. Special permit by council allowing for a celebration by club or lodge providing entertainment for the town in general is excepted. Very definite knowledge of a violation caused the tightening up. According to Town Marshal Fred Antrobus, however, Beaverton merchants have been very good in their co-operation with the law.
