High Time to Elect

ONE—Hold an election. Cast a ballot; name Christ as your Saviour. Be cleared in the sight of God your maker. And become a son of God.—"To as many as received Him, to them gave He power to become the sons of God."—Bible.

TWO. The wages of sin is death and you are now delivered from Judgment Day.

But the old habits still grip you. If we say we have no old sinful nature left, we deceive ourselves and the truth is not in us. If we confess our sins, Christ is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. Bible. Sin in the believer put him out of step. God does not throw him out of the family for he has been born from above and forever. Pastor Spurgeon used to stop on the spot, bare his head and confess the sin on the moment. By that he kept in step.

THREE—Count yourself on Bible ground. God receives you as purchased by the blood of his Son. What Christ is to the Father, so he counts us.

Christ, the Beloved is the Head of His body; we are the members. To God, we are now a chosen generation, a royal priesthood, a holy nation, a people for a possession to set forth the perfections of Christ.

Out of the new heart created by the new birth, comes the new life. You are not to be the same old sinpence. You are of the new creation. Give the Holy Spirit the right of way in thought, word and deed. Live by Power From On High.

QUIZ BIZ

Who today is the most powerful person in the world?

Answer—God, the Holy Spirit; the Third Person of the God-Head.

How long has the Holy Spirit carried on as now?

Answer—When Christ ascended on high, the Holy Spirit was sent down to give new life to all who receive Christ as Lord and Saviour.

What was the date?

Answer—The Day of Pentecost. Fifty days after Christ arose from the grave.

Where is the Spirit's dwelling as among us?

Answer—"What, know ye not that your body is the temple of the Holy Spirit which is in you, which ye have from God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body." Bible. Yield to Bible and Prayer and live by Power From On High.

"FOREST FIRES -BANZAI!"

BANZAI is a Jap cheer that means "everything to the good." There's no need to tell YOU that Japs will cheer for big forest fires in our West Coast woods. Because fires stop logging (and we're short of saw logs now!). They form daytime smoke screens and sky glow at night. Fires require valuable man-hours to get them under control... man-hours that should be devoted to getting out timber. So be on the alert! Report *every* fire...at once. Just call central. And above all, warn your friends to be exceptionally careful of matches and cigarettes in the woods. Nine out of ten fires start through carelessness.

VOLUNTEERS WANTED FOR AWS DUTY
