Mrs. Rasmussen New Hilhi PTA President

Mrs. R. P. Rasmussen was elected and installed president of the Hillsboro union high school Parent-Teachers' association at the meeting in the high school library Monday night. She will succeed Mrs. C. D. Chamberlain, who has been president since the association was organized.

Other officers named are: Mrs. Carl Russell, vice-president for teachers; Mrs. Arthur Connell, vice-president for parents; Mrs. Victor Madsen, secretary, and Mrs. Ray Miller, treasurer.

Highlight of the evening's meeting was a round table discussion led by Mrs. Jessie Saxl, a new member of the Hillsboro high school faculty, who has had the experience of living under Nazi rule in Germany.

Mrs. Saxl, smiling, began her remarks about Germany and Austria by saying "I am more frightened tonight than I was when I had to meet the Nazis."

After the declaration of war with Germany, Mrs. Saxl's status became that of an alien, and having held the position of the house secretary of the University Women's Club in Vienna, she was watched carefully. After being summoned before the police, she was told a ship was leaving for America in 10 days. The Swiss Consulate advised her to leave then, even though she felt she needed more time to make final preparations.

When people in Vienna found that she had received the fortunate opportunity to be exchanged for German prisoners, and be able to reach America again, they were generous. The butcher and the storekeeper gave her the full month's rations of one and a half pounds of meat and six oranges for her five day trip through the occupied territory to Portugal, the disembarkment point.

Mrs. Saxl also discussed the food situation in Germany, the schools, clothing, the soldiers, Germany's use of the soldiers of the satellite nations, the attitude toward work before and after the war began, the well developed propaganda system, and German ability to put up a good front as shown in store displays of clothing which were marked "for export only".

One occasion in which Mrs. Saxl saw Adolph Hitler was in the invasion of Austria. She said that the people registered an outside appearance of happiness over the German deliverance even though they felt different, for a spy might be very close by.

Following the round table discussion, John R. Cox, principal of the high school, gave a talk on cultural versus vocational education, using it as a main point in stressing the need of voters to back up the teacher-sponsored bill for raising teachers' salaries in the state of Oregon.

The high school girl's trio, composed of Margaret Womach, Betty Jean Alexander and Arlene Grelle, sang "Star Dust".

Copy of First Paper Brings Back Memories

A story in the state news of the first copy of the Argus which was reproduced on the front page of the paper last week telling of "an immense avalanche thundering down the Canyon mountain, etc.," started A. W. Walker to reminiscing. He said that he well remembers the avalanche and that he knew Neil Hall, owner of the horses reported as buried under the slide Mr. Walker lived at Long Creek at the time. He recalled that Mrs. Jack Garrett's brother, the late George Brierly, purchased the Hall place which was between Canyon City and Burns.

He also commented on the White Swan mine, saying it was not as represented. Mr. Walker worked four years in a mine at Fox valley, and says there is only one other living of the crew that worked the mine. That is Charles Brown, who owns a garage at Canyon City, and is the owner of a remarkable collection of relics of the early days of that section—even to the skull of the first man hung there, his crime being the robbing of a sluice box.

Julia suggests sparkling ideas for Easter dishes

EVEN in war-time, we can turn an Easter meal into a really memorable event. The secret? Just a little feminine ingenuity!

With eggs, for example: why not make Easter breakfast something to remember, with

FROSTED EGGS

9 eggs
½ cup milk
1 tsp. salt
¼ tsp. white pepper
2 tbsps. butter, margarine or shortening
6 toast rounds

Beat 6 whole eggs and 3 yolks together lightly; add milk, ½ teaspoon of the salt, and ⅛ teaspoon of the pepper; beat well. Cook eggs slowly in melted butter, margarine, or shortening, in frying pan until just set, stirring occasionally. Place in individual casseroles or on top of rounds of buttered toast, arranged on an ungreased baking sheet. Frost with egg whites beaten until stiff but not dry, and seasoned with remaining salt and pepper. Bake in moderate oven (350° F.) about 15 minutes or until whites are a golden brown. May be served with crisp bacon. Serves 6.

And for an Easter buffet, or for supper, "history" can be made with

EGG MOUSSE

2 tbsps. unflavored gelatin
½ cup cold water
2 cups milk
1 cup mayonnaise
1 tbsp. onion juice
2 tsps. lemon juice
2 tsps. prepared horseradish
½ to 1 tsp. salt
3 drops yellow vegetable coloring
8 hard-cooked eggs

Soften gelatin in cold water. Heat milk. Add to softened gelatin and stir until gelatin is dissolved. Add mayonnaise, seasonings, vegetable coloring, and finely sieved egg yolks; stir well. Chill until thick and syrupy. Fold finely chopped egg whites into mixture. Pour mixture into 4-cup ring mold. Chill until firm. Unmold on large platter. Fill center with ham, fish or chicken salad mixture. Serves 12.
