USED CARS
 The overhauling, rebuilding and refitting of a used car is only as good as the determination of the dealer to make it so. It has been said that we do too much to our used cars to insure a reasonable profit, but we are content in the knowledge that after looking around, the buyer usually returns for something he has seen and tried out from the Covey Motor Car Plant. After all we are in the used car business only to aid in the sale of new cars.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

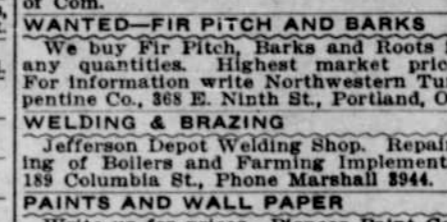

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet.
 A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

Beware the infected man whose germs fly about the world seeking whom they may defile. "Spare the brush and spoil the teeth"—that's what pays the pyorrhea specialist.
