Hillsboro Man to Speak at Annual Nut Growers Meeting in Eugene

At the 32nd annual meeting of the Nut Growers' Society of Oregon and Washington (formerly known as Western Nut Growers' Association), to be held December 13 and 14 in Eugene, leading authorities will discuss a wide variety of topics vital to the success of the industry.

Nut harvesting other than by machine will be covered by M. P. Cady of Hillsboro, who has been successfully operating 46 acres of walnuts and filberts for 16 years. Gordon Goodpasture, well known McKenzie river filbert grower, will discuss nut picking by machine and give his experiences in picking 80 tons of filberts by this method during the past season.

At 9:30 a. m., growers will be welcomed at the armory by the mayor of Eugene, Earl McNutt. R. A. "Bob" Duncan, president of the organization, will speak in response.

Professor C. E. Schuster of Oregon State college will report the results of fertilizer and boron trials; Professor E. H. Weigand will deal with laboratory work on filberts as food. Dr. Paul Miller, plant pathologist, will talk on causes of decline and death of filberts, and Dr. Arthur King on soils and irrigation. Dr. B. G. Thompson, entomologist, will also speak.

One of the topics most vital to nut growers at present is selling the nuts after they are grown and this will be thoroughly covered by A. C. Jacobson, manager of Northwest Nut Growers, under the title "Marketing and Imports," and by Roy A. Ward, manager of Pacific Co-operative Wool Growers and prominent nut grower, who has chosen as his topic "Some Thoughts on Merchandising."

There will be no talks during the luncheon periods on either Friday or Saturday, owing to the impossibility of securing accommodations in one place sufficient for the expected crowd, but the most colorful occasion of the day-and-a-half sessions will be a dinner program at the Eugene hotel Friday evening. This event will introduce colored motion pictures of mechanical nut harvesting, taken this fall by Claude Sersanous, a talk by A. J. Cormack on what he learned in Spain about filberts, and another by Don Sloan highlighting his recent South American trip. Tickets for the dinner, $1.75, should be arranged for in advance through Arthur R. Quackenbush at Quackenbush's Hardware store in Eugene.

Don't go to the extra expense and suffer annoying delays for new parts when our shop can serve you better, quicker cheaper.

Prompt work and low charges.

Forest Grove Tips Hilhi Eleven, 19 - 12

(Continued from page 1)

three first downs on the march. A pass from Hodge to Borst on a play good for 23 yards to the Hilhi 16 paved the way for the score. With Cunningham carrying the ball most of the way on line smashes, the Vikings moved to the ... foot line from which spot Borst drove over. An attempted line buck by Hodge for the extra point failed.

Disaster struck for Hilhi again in the final minute of the first half, line plays and aerial work again doing the damage. With the ball on the Hilhi 20, Laird faded and tossed a pass which was intercepted by Bill Noah and returned to the 23. Forest Grove was penalized to the Hilhi 38 for holding, but Hodge smashed off right tackle on the next play for an even 10 yards and a first down to the 28. Two plays later it looked like Hilhi might hold when Substitute End Chuck Jones smeared Hodge for an eight-yard loss to the 32 on an attempted pass. But Hodge then fired a pass good to Noah for a first down on the 10 where he was nailed by Terry Christensen. Then came Hodge's touchdown pass to Borst with just seconds left in the first half. The attempted placekick was no good. Jerry Doyle returned the kick-off from the 10 to his own 35 as the half ended. Score: Forest Grove 19 to 12.

Hilhi's first touchdown came early in the third period after Randall Harrison intercepted a pass and lugged it to the Viking 45. Doyle and Forrest Henning drove to the 34 for a first down on two smashes. Harrison hit left guard for two yards. Putting the ball in play from the T formation which Hilhi used on several plays during the game, Laird faded and fired a pass to Harrison. He caught it on about the 10 and went over for the touchdown. Henning's attempted kick was no good. Forest Grove 19, Hilhi 6.

Early in the fourth quarter, Hilhi scored again, this time after a partially blocked fourth-down Forest Grove punt was recovered by Johnson on the Viking 23. Laird then fired a pass to Doyle on the right and he carried it about 12 yards to the three. Two line smashes by Henning moved the ball to within about a foot of the goal line. Laird then smashed into the left side of the Forest Grove line for the touchdown. Henning's pass to Snider on a fake kick went incomplete. Forest Grove 19, Hilhi 12.

Hillsboro		Forest Grove
Snider	LE	Simmons
K. Brandner	LT	Norris

Roper Bowlers Increase Lead

Ladies' League—	W	L	Pct.
Roper Electric	23	10	.696
Birds Eye Office	16	17	.484
Savings & Loan	16	16	.484
Birds Eye Plant	12	21	.364

Roper Electric increased its leadership in the Ladies' bowling league to seven full games Monday night by defeating the Birds Eye-Snider Plant team in three straights. Savings & Loan won over Birds Eye-Snider Office team, 2 to 1, in the other series.

Roper has now won 23 out of its first 33 games while the Birds Eye-Snider Office team in second place holds only 16 wins out of its first 11 series. Mildred Harms won the theatre tickets with a score of 211 including handicap.

Scholls Group to Meet
