Pain in Back and Sides

Salem, Oregon. — "I was very delicate and puny when I was a young girl suffered monthly from pains in my back and sides, had nervous headaches, sharp pains in the back of my head and was unable to sleep. I would be in bed from three to five days each month," wrote Mrs. R. T. Brown of 457 S. Commercial St. My mother had me take Dr. Pierce's Favorite Prescription. I had no more of this misery after taking the 'Prescription' for awhile. There is nothing like it for girls at that time of life!"
