Hillsboro Product Known Far, Near

Word of a locally manufactured product has spread throughout the United States and across the sea as far as Lucerne, Switzerland. It is the Zero Cold Home Freezer, a 15-cubic-foot capacity freezer designed by W. C. Gifford and manufactured and sold by the Gifford Appliance store, 175 South Second avenue. National and international interest in the product was created by an article describing it in the September 30, 1946, issue of Air Conditioning and Refrigeration News, published in Detroit, Mich.

Gifford states, however, that he is at present doing little about the inquiries he has received from home and abroad. He has been unable to obtain condensing units for the freezer since last July and does not know when they will be available.

The Gifford company has manufactured the freezer since 1939. At first it was made of wood, but for several years has been manufactured of aluminum, inside and out. Thirty Zero Cold Home Freezers have been turned out since 1941, Gifford said, and all sold locally.

Former Resident Dies in Portland

Funeral services for Mrs. Lizzie Marsh Phillips of Portland and formerly of near Newton in this county were held February 3 in Portland. She died February 1. Entombment was at Lincoln Memorial Park mausoleum.

She is survived by her husband, Fred M. Phillips; three daughters, Mrs. Bessie M. Andersen, Portland; Mrs. Lora G. Andresen, Tigard; and Mrs. Marian G. Motschenbacher, Portland; a brother, George Marsh, Vancouver; sister, Mrs. Gertrude Wright, Portland; and three grandchildren.

Mrs. Phillips was a descendant of Henry Ward Beecher and a first cousin of Almon Culbertson, father of Ely Culbertson, bridge expert. She taught school in New York and at the state industrial school, Salem.

Mr. and Mrs. Phillips for a number of years operated a farm and chicken ranch near Newton station, Hillsboro.
