Water System Revenue for '46 Above $83,000

City of Hillsboro water system operating revenues were $83,260.80 for the past year ending December 31, as compared to $71,116.60 for the previous year, according to the audit report of the city utilities commission.

Residential or domestic water sales were biggest source of revenue, aggregating $45,318.25. Commercial and industrial revenue was $24,387.90, sales to irrigation customers $18.05, private fire protection $318, public fire protection $1,278, other sales to public authorities, $1,368.94, and sales to other water utilities $10,571.66.

Expenditures to December 31 on the new plant were listed as follows: construction work in progress, $316,825.97, and preliminary survey and investigation, $21,816.09. Included are all costs of installing the new 18-inch mains and replacing old wooden mains.

Net income after depreciation charges of $11,788.56 was $28,677.18. The ratio of net income to total operating revenues was 34.4 per cent in 1946 as compared to 34.3 in 1945. Utility operating income for 1946 increased $10,671.33 over 1945 but the net income transferred to surplus increased only $4,283.66 due mainly to the interest cost on the $650,000 bond issue.

Total plant value was listed as $416,507.52 as compared to $394,306.17, additions being $29,635.52 and retirement $7,434.17. Reserve for depreciation was listed as $155,477.74.

The audit report was signed by A. L. Amacher, local certified public accountant.

Roy Martz Home from Service with Marines

Pfc. Roy Martz, son of Mr. and Mrs. C. R. Martz of Hillsboro, arrived home Tuesday night on terminal leave after a year's service in the marines. He has been stationed at El Toro, Cal., marine base. Roy was a prominent graduate of Hilhi.

Closing Set By Local Firms

A number of additional local business firms have announced that they will close on Saturday May 31, the day after Memorial Day, and Saturday, July 5, the day after Independence Day. Hillsboro barber shops announced this week that they would close on both these days to permit three-day vacations. The automobile dealers of the county have also announced that they would close May 31.

Among those announcing closings for Saturday, May 31, are Your Beauty Shop, Weil's Department Store, Griffith & Meeke and Kellington, LaMay's Cleaners. Several others are reported to be considering closing to enable employes to have a long week-end.

Loose Dogs Result In Much Damage

Numerous complaints about dogs running at large and damaging gardens and flowers in Hillsboro have been received at the city hall, according to City Manager J. W. Barney.

Dog owners must either comply with the city ordinance against allowing the animals to run at large or expect to have them impounded, Barney warned. Dogs caught running loose may be redeemed by the owner by paying a fine of $2.50. Dogs may be liquidated after being held five days.
