Wild strawberries have been ripe for some time in this vicinity and pickers going out come home with a gallon or more at a time. While they are plentiful in places not every vicinity has the berries and those getting them have to go a short distance away from home for them. Last week Erma Easton and Martha Campbell went out for the berries and brought home more than a gallon a piece.

Mr. and Mrs. Richard Hart moved up Upper Camp Creek Sunday to call at the George Willian home during the afternoon.

The Thurston grade school ball team came to Walterville Friday afternoon to play the Walterville grade school team. The local team won with flying colors a score of 5 to 96 at the end of the first half of the fifth inning. How One Woman Lost 10 Lbs. in a Week

Mrs. Betty Luedeke of Dayton, writes: "I am using Kruschen to reduce weight—I lost 10 pounds in one week and cannot say too much to recommend it."

To take off fat easily, SAFELY and HARMLESSLY—take one half teaspoonful of Kruschen in a glass of hot water in the morning before breakfast—it is the safe way to lose weightly fat and one bottle that lasts 4 weeks costs but a trifle. Get it at any drug store. Drugs, Tiffany-Davis Drug Co., Carroll Drug Co., Red Cross Drug Co., or any drugstore in America. If this first bottle fails to convince you this is the SAFEST way to lose fat—money back.

But be sure and get Kruschen—imitations are numerous and you must safeguard your health.
