Meta F. Goetter Passes May 30; Buried Monday

Funeral services for Mrs. Meta F. Goetter, 60, long-time resident of the community, who died May 30, were held Monday afternoon at Donelson & Sewell chapel with Dr. Milton Marcy of First Presbyterian church, Tacoma, Wash., officiating. Burial was at Fir Lawn cemetery.

Mrs. Goetter had been in failing health for a number of months but her death came as a shock to friends. She had been a resident of the community the past 49 years. She gave many years of service to Oregon Eastern Star and was also a member of the Methodist church. She was born in Atlantic Iowa, January 12, 1887.

She was the wife of William J. Goetter, assistant postmaster. Other survivors include, two sons, Wayne L. of Hillsboro, W. Fred of Syracuse, New Jersey; one brother, Earl W. Wallace of Cloverdale; also on grandchild, Janet Goetter of Hillsboro.

Places for Securing Fire Permits Set

State forester's office has issued a list of places in Washington county where fire permits may be secured. These have been announced by County Judge H. D. Kerkman as a convenience to those desiring to burn brush and trash piles.

Permits for Hillsboro area may be secured from the county court (judge and commissioners) at the courthouse, for the Forest Grove and Banks areas at the state forestry department office on Gales Creek road for Cornelius at the rural fire district headquarters there, for Cedar Mill at Foege's garage, for Beaverton at the city hall and for Tualatin from Fire Chief Will Barngrover.

Barnes District Favors Addition

Voters in Barnes elementary district No. 57 by a count of 38 in favor and 19 against last Wednesday approved contracting a bonded indebtedness of $19,000 for an addition to the school building, according to County School Superintendent Austin Serafford.

Barnes district and Union district No. 6 are scheduled to vote June 12 on proposed consolidation. Petitions favoring the merger were submitted to the boundary board and the election date set at a recent meeting.

FRESH WATER IN A STEADY FLOW

with NO TANK

The GOULDS Balanced-Flow JET for Shallow Wells

Turn on the water—at one faucet or more than one—and the new Balanced-Flow Jet delivers the exact volume of *fresh* water—a full stream or a trickle—at any or all outlets, up to the capacity of the pump. No waiting, no hesitation—no spurt, no lag.

Instantly and automatically adjusts itself to varying demands for water when faucets are opened or closed, providing steady, continuous, non-fluctuating stream, in any volume within pump capacity.

No priming. . . . No trouble. Quiet, easy to install. Low cost. Capacity up to 540 gals. per hour, depending upon suction lift.

After you've seen this amazing new pumping unit, you'll agree it's the ideal water system for your shallow well.
