First B. U. H. S. Reunion Shows Great Interest

About 225 teachers, former students and their guests came to attend the B. U. H. S. reunion Saturday evening, which was held in the high school gymnasium. Some attending came from as far as Bremerton, Wash., Eugene, Sweet Home, Tillamook and other distant cities. All enjoyed renewing old acquaintances and talking over old times. Each one was sure that their class was the best or the meanest that ever attended the school. A good many expressed disappointment that there were not more of the local alumni in attendance.

Due to the bus strike the speaker of the evening, Dr. J. F. Santee, the first principal of the school, was unable to attend. A paper which had been written by him more than 25 years ago was read by Mrs. Bernard Sellers, who was the first graduate of the high school. This was a very interesting and humorous account of some of the early history and activities of the school.

The first high school in Banks was held in the old Macabee hall, which is now the Legion hall. In 1921 they moved into the new school building which is in use at the present time.

A letter was read from Professor W. A. Johnston, who was principal in Banks for a good many years, in which he stated that in all his 53 years of teaching he has missed only 2½ days. He is now retired and is living at Toledo.

Musical numbers on the program included accordion numbers by Hollis Hartwick, and guitar numbers by Earl and Everett Genzer and Lyle Wolford. Bernard Sellers led the group singing of old songs among which was the first high school song which was written by Dr. Santee. Vernon Hahn acted as master of ceremonies for the evening.

Refreshments were served from the stage where the tables were decorated with purple and gold crepe paper, daffodils, hyacinths, forsythia, and violets to portray the school colors.

Music for dancing was played, following the refreshments, by Mrs. Cecil Lodge, Vernon Bateman and Joe Bethea.

The committee in charge of arrangements included Mr. and Mrs. Vernon Hahn, Mr. and Mrs. Don Garrigus, Mr. and Mrs. Henry Herb, Mr. and Mrs. Albert Graham, Mr. and Mrs. Bruce Hahn and Mrs. Bernard Sellers. The committee wishes to thank all others who helped to make this reunion a success.

Much enthusiasm was shown toward organizing an alumni association and making the reunion an annual event. Anyone interested is asked to watch the papers for a notice of a meeting for the purpose of organizing in the near future.

BANKS ALUMNI RENEW OLD ACQUAINTANCES—Former students, teachers, and their guests, totaling 225, attended the reunion held at the Banks union high school gym Saturday night. Graduates wore white tags bearing the year they graduated. Humorous and interesting accounts of class histories were read and the school song sung. Dancing and refreshments followed a brief musical program. Vernon Hahn was master of ceremonies for the evening.—(Argus photo)

Hilhi Baseball Nine Edges West Linn, 4-3, in Opener

Hilhi's baseballers spotted West Linn to a three-run lead in their belated Tualatin-Yamhill Valley league opener on the Lions' home field Tuesday afternoon and then came back in strong fashion to win, 4 to 3.

Big Dick Waibel went the route on the mound for Hillsboro and allowed only four hits. The Lions bunched them all into one inning, including a long home run by George Matile, lead-off hitter, and got their runs all in the fourth. Until that big outbreak the game was scoreless.

Bobby Frantz, hitting for Bill Martin, led off the Spartan fifth with a single to touch off Hilhi's rally. Pitcher Wellman got the next two Hilhi batters for outs but Centerfielder Ron Reule then singled and Dick Waibel followed with another bingle into left-center to drive Frantz home. Waibel and Reule scampered home on a long double into center by Catcher Neal McInnis.

Hilhi's winning run came in the top half of the sixth after a double play had wiped out the first two batters. Frantz got life on third baseman's error and he was driven home on a single by Shortstop Al Humburg.

Matile opened the last of the fourth with the aforementioned homer. Waibel whiffed the next batter but then yielded a double to Outfielder Coleman, son of Eddie Coleman who once played for the Portland Beavers and the Philadelphia Athletics. He scored on a slow bunt down the third base line which went for a hit. A single into right field brought the final Lion run.

Waibel struck out nine batters in the seven innings and mowed the enemy down 1-2-3 in every inning except the fourth. Reule was top hitter for Hilhi with three singles in four times at bat. Humburg had two hits in four times at bat, the pair accumulating five of Hilhi's nine hits.

Incessant Rains Handicap League Baseball Outfits

Incessant rains have virtually put a standstill to workouts of Tualatin Valley semi-pro league clubs. As a result, managers of the eight clubs which were scheduled to meet Wednesday night were expected to delay the opener at least one week.

The big opener was previously set for Sunday, April 18. Same pairings will be followed when the teams do open. Hillsboro's Townies, managed and sponsored by Ellis Taylor of Taylor's Store, play host to Cornelius in their first game.

Hillsboro's ball club has had several workouts as have a number of the other clubs but all have been handicapped to a considerable extent. The following are included in the group out of which Hillsboro's team will be selected: Dale Frantz, Forrest Henning, Wally Sigler, John Frantz, Harry Frantz, Lavonne Frantz, Don Hood, Jerry Meeuwsen, Kenny Wortman, Ed LaHaie, Henry Hunt, John (Lefty) Cooper, Aubrey Van Loo, Ernie Martz, Al Schulmerich, Bob Burkhalter, Oliver Dick and others.

Deadline Nears for Farm Plans Filing

Washington county farmers are reminded by Arthur P. Ireland, chairman of the Washington county ACA committee, that the time for filing their 1948 farm plans for the agricultural conservation program is drawing to a close. The last day for filing a plan is April 30, 1948.

The agricultural conservation program is a plan whereby everyone helps the farmer keep up his soil. If this county is to remain prosperous and progressive our soil must be protected. It is to the best of everyone's interest that our soil be protected, both for our own and future generations.

Some of the practices included in the 1948 conservation program are the application of agricultural lime, working under legume cover crops, drainage, permanent pasture seeding and control of noxious weeds.
