Why Thousands of Doctors Have Prescribed Pertussin FOR Bad Coughs (DUE TO COLDS)

Pertussin must be good when thousands upon thousands of Doctors have prescribed it for so many years. Pertussin acts at once to relieve your coughing. It loosens and makes phlegm easier to raise. Safe and effective for both old and young. Inexpensive!

Beware Coughs Following Flu

After the flu is over and gone, the cough that follows may develop into chronic bronchitis if neglected. Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
