New York Markets

By VICTOR EUBANK

NEW YORK, Feb. 6.—(AP)—Stock market buyers enjoyed another excursion on the rails today, but, while assorted industrials and utilities achieved moderate progress, many recent climbers stumbled ove rprofit cashing.

While gains of fractions to 2 points or more dropped trends near the close and new 7-year highs dotted the list, declines were plentiful. Transfers ers stumbled over profit cashing.

Carriers revived when dividend hopes brightened and Union Pacific reported common share net for 1944 of $17.07 compared with $14.00 the year before. Accounts were lightened here and there, however, as the good battlefront news stressed economic caution. Some customers retired to await forthcoming decisions of the "big three" conference.

In front the greater part of the proceedings were Santa Fe, Union Pacific, Northern Pacific, Atlantic Coast Line, Consolidated Edison, American Telephone, United Aircraft, Eastman Kodak and Owens-Illinois. The sprinting low-quoted motors of Monday did virtually nothing. Backward were U. S. Steel, Bethlehem, Chrysler, General Motors, U. S. Rubber, Westinghouse, Douglas Aircraft and Sears Roebuck.

Railway bonds edged forward.

PRISONERS ABUSED, KILLED

ALLIED HEADQUARTERS, Luzon.—(U.P.)—More than 15,000 British, Australian and Dutch prisoners of the Japanese died in the two years ended in June, 1944, after being subjected to every kind of degradation and abuse while building a rail line from Bangkok to Moulmein under Japanese supervision, it has been revealed.

Survivors rescued by American rangers from the prison camp at Cabanatuan said the death toll represented more than half of 30,000 prisoners working on the line.
